ACKNOWLEDGEMENT

I take opportunity to express my deepest sense of gratitude and indebtedness to esteemed major supervisor, Dr. Vipin Kumar, Reader, Department of Agricultural Chemistry and Soil Science, R.B.S. College Bichpuri, Agra for his invaluable guidance, ungrading help, constant encouragement, consecutive criticism and constant inspiration, during the course of investigation and preparation of manuscript.

I am highly thankful to Dr. Vinay Singh, Dr. Bhisham Pal Singh, Reader, Dr. Bijendra Singh, Reader, Dr. C.P. Singh, Reader and Dr. A.P. Singh, Lecturer, Department of Agricultural Chemistry and Soil Science, R.B.S. College Bichpuri, Agra for their affectionate guidance, incessant encouragement and sustained interest during the course of investigation.

I also express my gratefulness to Dr. B.K. Agarwal, Principal, R.B.S. College, Bichpuri, Agra for providing necessary facilities to conduct this investigation.

I have not word to express my deep honour to my father Sh. Vijay Kant Nagar, mother Smt. Padam Lata Nagar, brother Ashish Nagar, Prashant Mishra, Smt. Rachna Agarwal, Mr. Mahesh Kumar Kumawat for their great affection, constant inspiration for higher studies and moral support during my education.

I take this opportunity to thank the entire staff and students of the Division of Agricultural Chemistry and Soil Science, IARI, New Delhi for their kind cooperation and help required during the entire period of investigation.

Finally a word of appreciation and thanks goes to the team of M/s Shiva Computers, New Delhi for the efficient and neat typing of this thesis.

Lastly, I take privilege to express my deep sense to my grand father Late Sh. Raja Ram Nagar.

Place: Bichpuri, Agra
