ACKNOWLEDGEMENT

With immense respect, I express my sincere gratitude to Dr. P.K. Gopalakrishnan, Former Head of the Department, Post Graduate Department of studies and Research, Dept. of Botany, S.D. College, Alappuzha for, his inspiring guidance, personal interest and steady encouragement right through my Research work.

I am obliged to the Principal, Prof. Korulla Issac for providing me with the necessary facilities. I am grateful to Prof. John Varghese, Head, and also to all the Staff members of Dept. of Botany, C.M.S College, Kottayam for their help and encouragement.

My profound gratitude is due to all the Staff members of Mc. Dowell’s Distilleries, Cherthala, for providing the effluent and necessary facilities during the course of the study.

I express my earnest thanks to Prof. Sudharshanan, Principal, S.D. College, Alappuzha, Late P. Venugopal, Former Manager and Mr. Parameswara Panikar, Manager, S.D. College, Alappuzha for providing me with the facilities required for this work at different stages of my work.

I also express my gratitude to my teachers Dr. V. Kusumakumari, Dr. B. Sreedevi, Dr. B. Remadevi, Dr. K. Ravikumar, Dr. V.S. Harikumar, Dr. P.R. Unnikrishna Pillai and Dr. M.S. Binojkumar, Dept. of Botany, S.D. College, Alappuzha.

My deep sense of gratitude is expressed to Prof. Annamma Varghese, Prof. M. Babuji, Prof. Mary Mathew, Prof. Elsamma Abraham, Mr. Manu, V, Mrs. Archana G. Pillai, Mrs. Dhanya Vijayan, Mrs. Sriranjini, Teachers of Botany Department, Prof. Thomas Abraham, Dept. of Physics, B.A.M. College, Thuruthicadu for their advice and suggestions during the study.

I acknowledge my deep sense of indebtedness to Dr. N.S. Pradeep, TBGRI, for his help rendered for the completion of my studies.

My profound thanks is acknowledged to Mr. Vinod Mathew, Training Associate, and to all the Staff members of CARD–KVK,
Kolabhagom, Tiruvalla, Pathanamthitta, for providing laboratory facilities in the due course of study.

My profound gratitude is due to Dr. Remabai, Rtd. Asso. Prof. and Head, Dr. Devika, Asso. Prof. R.R.S. Mancombu for their help and advice provided me during the investigation.

I am much indebted to Mr. Velukutty Nair for providing me the land holding for conducting the field study. Thanks are also due to Mr. Josephkutty for helping me in the smooth conduct of the field study.

My heartfelt thanks are also expressed to my friends Mr. Suresh Chandra Kurup and Dr. N. Hari, for their timely help during the course of the investigation.

I am also obliged to Mrs. Akhila, Res. Scholar, Dept. of Environmental Science, Kerala University and Miss. Bindu, Res. Scholar, S.D. College, Alappuzha, for their help rendered me during the course of investigation.

My deep sense of gratitude is evinced to my wife, Smitha, and my sister Praseeda for their assistance and encouragement without which I would not have been able to complete my studies.

I bow my head before my parents, for the mental strength, moral support, and encouragement provided to me throughout the study.

Above all, I express my sincere gratitude to the God for blessing me with the necessary initiative and encouragement in the successful completion of this work.

Sivaprasad A
