ACKNOWLEDGEMENTS

It gives me immense pleasure to have the privilege of extending my deepest sense of gratitude and sincere thanks to my Supervisor Dr. P.K. Tripathi, Reader, Dept. of Mathematics, D.A.V. (P.G.) College, Kanpur who has been a constant source of support for his erudite inspiration, kind and affectionate advise, noble guidance and perpetual encouragement throughout the period of this piece of research work.

I am extremely grateful to principal D.A.V. (P.G.) College, Kanpur for providing necessary facilities to carry out the research work. I am also thankful to Dr. R.P. Srivastava, head, Dept. of Mathematics, D.A.V. (P.G.) College, Kanpur, Dr. Atul Kumar Srivastava, Reader, Dept. of Mathematics, D.A.V. (P.G.) College, Kanpur, Shri Abhishek Srivastava, Reader, Dept. of Mathematics, D.A.V. (P.G.) College, Kanpur, for extending their valuable support and encouragement.

I acknowledge my obligations to Director UPTTI, Kanpur, Shri M. Uttam, Assistant Professor, UPTTI, Kanpur and all
the faculty members of UPTTI, Kanpur for their good wishes and endless inspiration during the research work.

I owe the highest dept of gratitude to my father Shri Dhanpal Singh and my loving mother Smt. Chinta Devi for a constant source of inspiration and encouragement.

My wife Suman without her whole hearted cooperation, constant inspiration and continuous encouragement, this research work would not have been possible so smoothly. I express my affection to my daughter Anushka for keeping cheerful environment at home.

Last but not the least my special thanks go to the all well wishers and friends, who have encouraged and helped me in bringing out this thesis in the present form as a token of love and affection.

Dated : June 2010

Mukesh Kumar Singh
Sr. Lecturer
Dept. of Mathematics
