Ref. No.

Certificate from the Supervisor

This is to certify that Ms. Nitali Doley worked under my guidance while preparing her thesis entitled "A Study on the Wetlands of Lower Subansiri Basin (Assam)". She has fulfilled all the requirements relating to the submission of a thesis for the Ph. D. degree under this university. This thesis is the result of her original research work and neither the thesis nor any part thereof was submitted for any other degree of this or any other university.
