Acknowledgement

Let me express my sincere gratitude and indebtedness to the following persons who helped in manifold ways during my doctoral work.

First and foremost I would like to express my gratitude to my distinguished guide, Dr. Sunny Kuriakose A., Reader, Research Department of Mathematics, U. C. College, Aluva for his guidance, valuable advice and encouragement throughout my research work. I am greatly indebted to him and his family for their boundless support.

I am deeply indebted to Prof. (Dr.) T. Thrivikraman, Retd. Professor, Dept. of Mathematics, CUSAT for his valuable advice and creative suggestions in the course of the preparation of this thesis.

I would like to remember with gratitude Dr. T. M. Jacob., Dept of Statistics, Nirmala College, Moovattupuzha who helped me in solving optimization problems using MATLAB programming.

The communication with C. Carlsson, Plamen P. Angelov, Pandian M. Vasant, A. K. Bit etc were of great use. I thank them.

I express my sincere thanks to Dr. Varghese John, Principal, teachers of Dept of Mathematics, office staff and library staff of U C College, Aluva, librarians of Dept. of Mathematics, CUSAT and ST. Thomas College, Pala for all the help extended to me.
I am thankful to Dr. Rajan Varughese, Director, Mar Thoma College of Management and Technology for the help and encouragement rendered by him.

I thank UGC for awarding me the Teacher Fellowship, the Management of Mar Thoma College for Women, Perumbavoor for permitting me to avail the fellowship, The Principal, Dr. Aleyamma Saji Varghese and former Principals for their whole hearted support.

I would like to thank my colleagues, friends and students of Mar Thoma College for Women, Perumbavoor where I am working, and all my well-wishers for giving me unstinted encouragement.

I remember my parents who devoted their entire life for the welfare of my family. They have been the source of inspiration and guidance all throughout my life. It makes me sad that my father is no more at the completion of my work

I am immensely grateful to my beloved husband Prof. Thomas P. Thomas and our sons Bonnie and Ronnie for their love and affection, without which this work could not have been completed.

I express my sincere thanks to my two brothers, their family and relatives for their care for me.

All and above, I express my deep gratefulness to ALMIGHTY GOD for the abundant blessing showered upon me all through my life.

Lisy Cherian
