Acknowledgement

I may not be where I want to be but I am thankful for not being where I used to be.
- Habeeb Akande.

Nothing can be achieved except the grace of God is bestowed upon anyone and I thank thee for the grace offered on me and thanks thee to accomplish this work of mine.

I thank my beloved Father R. Kamaraj and Brother K. Sivakumar who supported me in my every walk of life to finish and accomplish my work. Parents are playing a sincere role of the individual and their role in my activity in appalaudable.

I remember the wards that when you see God in your presence along with your Guru, whom does you, praise more? Guru is the person who showed the way to meet the God so I paid my first benediction towards my guru only. In the same context I praise and thank to Dr. S. Rajan, Assistant Professor and Research Guide, Research Department of Microbiology, M.R. Government Arts College, Mannargudi, for his constant supervision, guidance and overall direction of the research to move forward with investigation in depth. He showed me different ways to approach a research problem and the need to be persistent to accomplish any goal. As a result, research life became smooth and rewarding for me.
