ACKNOWLEDGEMENTS

I would like to convey my deep sense of gratitude and appreciation to my research supervisor, Prof. G. RANGA JANARDANA, Professor of Mechanical Engineering JNTUK College of Engineering, vizianagaram for spending enough time generously and guiding through every aspect of my research. Without his guidance, constant supervision and constructive encouragement, this work would not have been possible. The improvements that he has brought in me over the years will help me for the rest of my career.

I would like to convey my deep sense of gratitude to Dr. D N Reddy, Vice-chancellor, Dr. T. Kishen Kumar Reddy, Professor of Mechanical Engineering, Dr. Chenna Keshava Reddy, Head and Professor of Mechanical Engineering Department, Dr. Ashok Kumar, Professor of Mechanical Engineering, Dr. A. V. Sita Rama Raju, Professor of Mechanical Engineering, Dr. Vijaya Kumar Reddy, Professor of Mechanical Engineering, Dr. K. V. Sharma, Professor of Energy, and Dr. AVSSK Gupta and Dr. Syam Sunder for their valuable suggestions in the completion of this work.

I sincerely thank to Dr. N.V. Ramana Rao, Principal, J. N. T. U. H. College of Engineering, for supporting and creating conducive atmosphere for carrying out the research work. I express my sincere thanks to all the faculty of Mechanical Engineering for their valuable suggestions during the preparation of the thesis.

I wish to express my appreciation to my wife Smt. Kamala and my sons Vishal and Vikas for their forbearance and cooperation in overcoming the hardships during entire course of this work.

I sincerely thank all those who have directly or indirectly helped me in the completion of this research work.
