ACKNOWLEDGEMENTS

It gives me immense pleasure to express my deep sense of gratitude to my beloved research supervisor Prof. K. Satyanarayana Reddy, Professor, Department of Economics, Sri Krishnadevaraya University, Anantapur, for his valuable guidance, unstinted help and benevolent attitude. His meanwhile suggestions and critical acumen can be seal all through this thesis. This work would not successfully complete without his constant encouragement. I would be ever grateful to him for his help at every stage in the course of this work. My indebtedness to him cannot be adequately expressed in term’s words.

I am thankful to Prof. M. Phaniswararaju, Principal, S.K. University College, Anantapur. I am very thankful to Prof. P. Ramappa, Chairman, Board of studies in Economics and Prof. M. D. Bhavaiah, Head, Department of Economics and other teaching and non-teaching staff members in the department for their co-operation during the course of my research study. I am thankful to the authorities of S.K.University, Anantapur, for providing the necessary facilities to peruse my research work.
I am thankful to the following departments for their co-operation in permitting me to have an access to the relevant records in their possession.

- Sri Venkateswara University Library, Tirupati.
- Osmania University Library, Hyderabad.
- Agricultural Research Station, Kadiri, Andhra Pradesh.
- Central Research Institute for Dry land Agriculture (CRIDA), Hyderabad.
- National Centre for Integrated Pest Management (NCIPM), New Delhi.

Finally, I thank one and all who helped me directly and indirectly in the completion of this work.

(J.Siva Sankaramma)
