ACKNOWLEDGEMENT

It is with deep debt of gratitude that, I remember the numerous individuals and institutions that helped me to complete this work successfully.

I should most sincerely thank my research guide Dr. Martin Patrick, Reader in Economics, Maharajas College Ernakulam, who closely followed and constantly supported me in this study. My great debt of gratitude to him is beyond words.

I thank Sri. U. A. Mohandas, Principal, Maharajas College Ernakulam. I am particularly grateful to other members of the faculty of Economics, especially Sri P.X. Sebastian, Head of the Department, Dr. S Muraleedharan, Dr. P. Lathakumari, Dr. P. Komalavally and other members of Department of Economics, Maharajas College, Ernakulam for the invaluable help I received during the period of my research. I especially thank Dr. Francy T.A, Department of Statistics, Maharajas College, Ernakulam for the statistical analysis of the data.

I have been greatly benefited from my discussions with the Officials of D. I .C. and K.F.C, Ernakulam and the Office bearers of Ernakulam District Small Industries Association. Their valuable suggestions and incisive comments were really beneficial for my study. I am also grateful to all the respondents without whose cooperation it would not have been possible for me to complete the study.
It is my privilege to express sincere thanks to Sri. V.T John, Vayalinkal and Prof. K.M. Abraham for diligently criticizing and correcting my thesis in its draft form.

I extend my sincere thanks to the librarians of Maharajas College, Mahatma Gandhi University, University of Kerala, Cochin University of Science and Technology and Centre for Development Studies, Thiruvananthapuram,

I thank the University Grants Commission for granting me fellowship under the Faculty Improvement Programme, which has enabled me to a lot to conduct this study.

It is with deep feeling I remember the blessings and support given by my parents Sri P.M. Mathew and Smt. Aleykutty Mathew.

I am grateful to my friends and relatives who inspired me for undertaking this work. I am also thankful to M/s Adambayil Photos Kalamassery for their sincere service.

Last, but not least, I am deeply indebted to my wife, Dr. Reemol for sustaining my interest in the work and helping me a lot in the tabulation of the data and also to my dear ones, Anjuna and Alan for putting up with a lot of trouble resulting from my pre-occupation with the work.

TOMY MATHEW
