

## ***Acknowledgements***

*First I thank the almighty god for the successful completion of this work.*

*My father has been my inspiration and his spirit will live on in me forever. I would like to thank all my teachers from school and college for teaching me chemistry.*

*A number of people have been instrumental in the emergence of this thesis. This is a sincere attempt to thank them all.*

*It is a great pleasure to express my sincere gratitude and indebtedness to my supervising teacher Prof (Dr.) Suresh Mathew, School of Chemical Sciences, Mahatma Gandhi University, Kottayam, Kerala, for introducing me to the exciting world of nanocrystalline materials and for his full support, guidance and inspiration to my research programme over the past 8 years. He has been very kind to give me a lot of freedom for research work. I consider myself very fortunate to start my research carrier under his supervision.*

*I take this opportunity to thank Prof. P.K. Radhakrishnan, the Dean and Director, Prof. M. Padmanabhan, former Dean and Director, all the faculty members and office staff of the school of Chemical Sciences, Mahatma Gandhi University for their support and encouragement. My sincere thanks to Dr. C. S Menon the former Director of the school of Pure and Applied Physics, Mahatma Gandhi University.*

*I am thankful to the research assistant of the instrumentation room and all members of the non-teaching staff. A special thanks to the librarian and all other staff members of Mahatma Gandhi University library.*

*I thank all my labmates, Prof. Thomas Mathew, Prof. Suprabha T, Prof. A.J. Joseph, Ms. Rejitha K.S., Mr. Praveen Kumar, Ms. Deepa Anu, Ms. Remya Sudhakar, Dr. Jesty Thomas, Dr. Radhakumary, Sri. Manu S.K, Mrs. Rani M. and other research scholars of School of Chemical Sciences for their valuable help.*

*I deeply express my gratitude to the Manager, Principal, Head of the department of chemistry, my colleagues and all the members of the chemistry lab of Nirmala College, Muvattupuzha.*

*I am indebted to Prof. T.N. Guru Row, director, SSCU, IISc, Bangalore, Prof. S. Chandrasekhar, Prof. S. Sampath, Prof. Ramasesha, Prof. G. Samuelson, Prof. K.L. Sebastian, Prof. K.T. Jacob, Prof. S. Ranganath and Dr. S. Pradeep (late) of IISc Bangalore for their timely assistance and support. I am also benefited from my association with Prof. CNR Rao, Prof. Kulkarni, JNCASR, Bangalore. A special thanks to the librarian IISc, Bangalore.*

*I am grateful to Prof. Peter Koshy and Dr. George K Thomas RRL, Trivandrum for their valuable support and help. I have had the pleasure of interacting with Dr. V. Kumar, senior scientist, C-MET, Thrissur. I take this opportunity to thank him for his moral support.*

*I express my sincere gratitude to Prof. K.T. Mathew, former faculty, department of Electronics, CUSAT, Cochin, Prof Muraly Sastry, NCL, Pune and Dr. P.A. Hassan, senior scientist, BARC, Mumbai.*

*I am thankful to the director and the staff of Sophisticated Test and Instrumentation Center, Cochin University of Science and Technology, Kochi.*

*I remember with gratitude the help and support given by Dr. Rajan Jose, who encouraged me throughout the course of my research work.*

*I sincerely thank each and everyone who helped me in completing this research work. I am thankful to Merin & Jyothi; Jomon & Priya; Rajeev & Jaya for their valuable help and hospitality during my visit to Singapore and Sharjah for conference paper presentations. Mere words are insufficient to express my gratitude to my husband Prof. Sunny Joseph, my daughter Anu Don Jose, son in law Don K. Jose and son Ajai Sunny Joseph for their silent concern, support and bearance without which it would have been impossible to accomplish whatever little I have.*

*The moral support from my father (late), mother and other family members and my beloved teachers empowered me for the completion of this work; I dedicate this thesis to them.*

**Thresiamma George**
