ACKNOWLEDGMENT

It is my profound privilege to acknowledge my sincere gratitude to my guide and supervising teacher Dr. K. Sreeranganadhan, Professor & Director, School of Management and Business Studies, Mahatma Gandhi University, who in spite of being busy in departmental and academic activities, rendered me with constant constructive suggestions, undertook insightful and fruitful discussions with me, guided me through every stumbling block I faced during my research work and helped me in forthrightly completing this work. Once again my heartfelt thanks to Dr. K. Sreeranganadhan, my guide.

I owe special debt of gratitude to Dr N Ravindranath, former Pro Vice Chancellor, Mahatma Gandhi University for his constant encouragement, unfailing support and personal interest in my research work.

My heartfelt gratitude to Dr. Sebastian George, Professor, St. Thomas College, Palai, Prabha Alice Varkey, Professor, Bishop Moore College, Mavelikara and Dr. Jikcey Issac, Lecturer, Assumption College, Changanacherry for their valuable insights regarding modelling and statistical analysis of this research work.

I am grateful to all the Managers of various industries and subject experts who were kind enough to render their valuable opinions on the questionnaire given to them. I am also grateful to the selected Employees from the industries taken for the survey for their valuable contributions. These data formed the basis of the analysis for my research work.

My sincere thanks to Mrs. Nisa YM, Librarian, SMBS, for her inspiration and help provided to me from the beginning of my research work. I also owe my indebtedness to the research scholars, teaching
and non teaching staff of SMBS for their constant support and encouragement.

I also thank the library staff at the Mahatma Gandhi University, CUSAT, HQ 4 Corps, 373 (I) Arty Bde and Bundelkhand University for their valuable cooperation and help in providing the required information during the course of this work.

I do remember with a humble heart the blessings of the Almighty, who has shown me the way in each and every step of this research work. I express my deep sincere gratitude towards my Dad, late Dr. M. George, for the support, encouragement and motivation to go ahead with this study given to me and also for raising me to this level of education. I would also like to thank my wife Tity Mathews and my children Georgie Mathews and Tom Mathews for the whole hearted support rendered by them towards the completion of my work.

Finally I thank Shri Gopan and Smt Maya, Sims Computers, Athirampuzha, for bringing out the dissertation neatly in time.
