

ACKNOWLEDGMENTS

ACKNOWLEDGMENTS

I deem it a matter of great prestige and pride to express my deep sense of gratitude and indebtedness to honorable guide Dr S Ayyappa, Director, Central Institute of Freshwater Aquaculture, Kausalyagamga, Bhubaneswar, for his valuable research guidance, sagacious advice, suggestions and affectionate personal attention throughout the period of investigation and preparation of this manuscript inspite of his pressing preoccupations. Words would not suffice to express my deep sence of gratitude for all that I have received from him during the tenure of the present study.

I express my sincere gratitude to Mr M Ranadhir, Former Director, CIFA, Dr S C Mukherjee, Principal Scientist, CIFA, Mr A K Roy, Senior Scientist, CIFA and Dr B B Sahu, Senior Scientist, CIFA for their kind help and encouragement during the work.

I am thankful to Dr B C Kar, Professor, Veterinary Department, O U. A 7, Bhubaneswar and Dr P C Mishra, Asst Professor, Veterinary Department, O U. A 7, Bhubaneswar for their kind assistance during the course of work.

I am grateful to Dr Kuldeep Kumar, Senior Scientist, RKIITC, CIFA, Mr Suchasish Mishra and Mr Jagadish Prasad, CIFA for their constant advice, encouragement, moral support and hearty cooperation during my research work which can never be erased from my memory. I extend my warm thanks from the core of my heart for them.

A shower of thanks is due to Dr C S Purushothaman, Principal Scientist, CIIE, Mumbai, Dr P K Mukhopadhyay, Principal Scientist, CIFA, Dr S N Mohanty, Principal Scientist, CIFA, Dr R K Dey, Senior Scientist, CIFA, Dr A K. Sahu, National Fellow, CIFA, Dr S C Rath, Technical Officer, CIFA, Dr B K Mishra, Senior Scientist, CIFA, Mr P K Aravindakshan, Senior Scientist, CIFA, Dr J. K Jena, Scientist, CIFA, Dr S K Sarkar CTO, CIFA, Dr S P Mohanty, Scientist, CIFA and Dr Radheshym, Senior Scientist, RKIITC of CIFA for their precious advice and encouragement.

I am thankful to Miss Babita Patro, Mr Shyam Kumar Barik, Mr Prakash Kumar Behera, Smt Meenakshi Sahu, Miss M Sudha, Miss Pringnya Paramita Tripathy, Dr Biswajit Dash, Dr Madhumita Das, Dr A C Ghosh, Mr V Basheer, Scientist, NBQFR, Mr P Nayak, Scientist, CRR, Cuttack, Mr P K Pandey, Scientist, CIIE, Mumbai, Mr B Mishra and Mr Sumanta Dey for their helping hand and cooperation extended in my research work.

I express my sincere gratitude to my teachers, and particularly to Dr A. K Patra, Head, Department of Zoology, Vanuxhar and Dr L D Nayak, Reader In Zoology, M. P. C. College Baripada whose inspiration and blessings enabled me to do this work

I bow down my head before my parents Prof Digambar Patru and Smt Rukmani Patru and extend my hearty thanks to my two brothers Mr D N Patru and Mr R. N Patru and sister Miss Anasuya Patru for their active desire and well wishes in the accomplishments of this thesis
