ACKNOWLEDGEMENT

The thesis report marks the end of a long and eventful journey. Words would be less to thank all the persons I came across during this journey of the last few years. However, I would like to express my gratitude to all at this moment.

I owe much of my academic and personal success to my parents Mr. Harsukhlal and Mrs. Meenaben Sapariya. I am also thankful to my elder sister Darshnaben, Keyuriju and little champ KAHAAN, who supported me throughout my life and especially in the tough time during my research. Without their unrelenting support and blessings, achieving this task would not have been possible. I also feel gratitude towards my family members and my cousins for support and help at every stage of my personal and academic life, and longed to see this achievement come true.

I would like to express my sincere gratitude to my research mentors Dr. K.H. Patel sir and Dr. D. K. Raval sir, for excellent guidance during the course of this study. The knowledge they have imparted, and the patience displayed was vital for completing this study. They are truly been a great source of inspiration. I am thankful for the immense encouragement that they graciously provided during this study.

A special word of thanks is due to Dr. D. I. Brahmbhatt, former Head and, Dr. N. V. Sastry, Head, Department of Chemistry, for providing necessary laboratory facilities required for the successful completion of this work. I am also thankful to all teaching and non-teaching staff for their generous support.

I am grateful to Dr. Vasudev Thakkar, Dr. A.K. Ray and his research students Dr. Parth Thakor and Sampark Thakkar, BRD School of Biosciences Department, for helping me in collaborative work needed for biological study included in the thesis.

I would like to thank and acknowledge the UGC-NET(JRF) Research Fellowship granted by University Grants Commission, New Delhi. I would like to acknowledge the technical support that I received from Microcare Laboratory, Surat and DST-PURSE Central Facility, Sardar Patel University for my research work.

I cannot forget the research enjoyed with the outstanding lab mates Dr. Jashmin, Dr. Umesh, Dr. Jemin, Dr. Vaibhav, Dr. Piyush, Dr. Shailesh, Dr. Sharad, Dr Vishal, Dr.
Harsh, Beena, Rahul and Ronak for their extensive discussions in chemistry interesting explorations in operations have been very helpful for this study.

Some of friends are like roots of tree, they never show their existence but they are responsible for the development; thank you very much Dr. Jemin Avalani, Dr. Tushar Sutariya, Dr. Gaurav Ladani, Dr. Kaushik Kundaliya, Dr. Keyur Kamani, Ronak and Hiren Manavadaria.

I am also thankful to Dr. Basudeb Bakshi, Principal NVPAS and Team members of chemical science department, Dr. Smitamam, Dr. Swetamam, Dr. Bhavinsir, Dr. Ketulsir and Ravishsir wholeheartly.

I am indebted to many colleagues for providing a stimulating and fun environment, Ravish, Amit, Pratik, Anirudhdha, Pratibha, Roshni, Keval, Hiren, Jaydeep, Gaurav Brabhmbhatt, Darshna, Dr. Miral, Meha, Bharat, Dr. Kishan, Dr. Yogita, Dr. Bhagyashree, Dr. Bhavesh, Dr. Parin, Dr. Dharti, Hitesh patel, Hitesh Bajaniya, Mohit, Dr. Jayraj and Dr. Atul who encouraged me to pursue my work and made even my little free time highly enjoyable during these intense three years in Department.

I would like to thank my roommates Darshan, Anirudhdha, Pratik, Meet and Priyank. I value each and every moment of togetherness spent in their company. I have a lot of wonderful memories of all the fun we had together. The bond that we shared is so special that I want to keep it safe and fresh with me always. I will never forget the lovely moments spent with you. You were with me all the times and I acknowledge that truly. I wish lots of happiness in life to all of you.

Finally, I bow down to Lord for showering his blessings on me for the successful completion of this phase of my life. O god, You have made my life more beautiful.

I sincerely apologize for any omission and sincerely thank all concerned.

Coming together is beginning............

Keeping together is progress............

Working together is success............

-Niravkumar H. Sapariya
