Acknowledgment

It is a matter of great pleasure and satisfaction to acknowledgment, those who helped or encouraged me during the present study. It would be impossible to pay separate acknowledgment to all the persons concerned. I had been fortunate enough to work under the teachers where clinical and academic abilities have been outstanding. This work is distillation of their teaching.

Words are but poor presentation of sentiments. I have no words to express my sincere gratitude and deep indebtedness to my esteemed learned supervisor Dr. Renu Jain (Professor, Department of pathology, G. S. V. M. Medical College, Kanpur) for her helpful criticism, valuable guidance, firm prodding and encouragement during this study.

I am extremely grateful to Dr. Anand Swarup (Principal G. S. V. M. Medical College, Kanpur) for giving me opportunity to work at this premier medical college of the Nation.

I would like to acknowledge my deep sense of gratitude to Dr. Seema Nigam (Associate Professor, Department of S. P. M. G. S. V. M. Medical College, Kanpur) for constant encouragement, stimulating discussion and sustained interest throughout the phase of my research work.

I am obliged and indebted to Dr. Kamal Sahani (Director J. K. Cancer Institute, Kanpur) for allowing me to utilized the various lab facilities that strengthened me to achieve the goal.

I express my indebtedness and sincere thanks to Dr. M. R. Tripathi (Reader, Department of Chemistry, D. A. V. College, Kanpur) and Dr. K. K. Srivastava (Reader, Department of Physics, D. B. S. College, Kanpur) for constant encouragement and sustained interest throughout the phase of this study.
I shall be failing in my duties if I would not put own my record the loudable role played by Mr. D. L. Tripathi and Mr. R. C. Tripathi for their unforgettable support in of my research work.

I shall be equally grateful to Mr. Ram Pandey (Biochemistry and Biotechnology Department, N. I. C. D. Delhi) and Mr. R. S. Upadhyay for their continuous help and suggestions throughout the phase of this study.

I am also grateful to all the teachers and faculty members of pathology department who directly and indirectly helped me to complete my present study.

I am also thankful to all faculty member of Botany and Microbiology department of D. B. S. College, Kanpur for constant support and guidance.

I shall feel oblige from the bottom of my heart if convey my sincere thanks to honorable, virtuous and sedulous parents Mr. S. N. Tripathi & Mrs. Suman Tripathi and parent in laws Mr. Madukar Pandey & Shalendri Pandey who encouraged me through their emotional support during the entire work.

I am greatly indebted to my brother Mr. Abhishek Tripathi for his support from time without which the work would have not been possible.

I am affectionately very much grateful to my Brother in law (Mr. Akhilesh Mishra), Sister (Mrs. Preeti Mishra), Niece (Anvesha Mishra), Nephew (Chitize Mishra) for their extraordinary patience, which they have shown during all this period of their ordeal.

I am also thankful to all my friends and relatives who directly and indirectly helped me to complete my research work.
