ACKNOWLEDGEMENTS

I wish to express my deep sense of gratitude to Dr. D. K. Veer, Research Guide, (Director, Knowledge Resource Center, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad) from whom I received guidance for this research work. I am thankful not only for his knowledge & expertise but also for his continuous support & encouragement throughout the process of this work. He gave me meaningful direction that led to writing & completion of this research work.

My special thanks to Dr. G. K. Hambarde, Research Co-Guide, (Librarian, MGM’s College of Engineering and I/C Principal, MGM’s College of Library and Information Science, Nanded) for his time to time encouragement and guidance for completion of this research work.

I am highly indebted to Dr. G. N. Shinde, Pro-Vice-Chancellor, Swami Ramanand Teerth Marathwada University, Nanded (Earlier: Principal, Indira Gandhi Senior College, CIDCO, Nanded) who has provided me support & facilities throughout the process of this work and encouraged/inspired to complete the research work undertaken.

I am obliged to Shri Sharada Bhavan Education Society and all its respected office bearers for their administrative support and moral inspiration.

I would like to thank all my coworkers at Yeshwant Mahavidyalaya, Nanded & Indira Gandhi Senior College, CIDCO, Nanded without their co-operation this study would not have been possible.

Lastly, I am indebted to all my friends, teachers and relatives who have directly and indirectly helped and provided me energy to carry out this work.

I must express my thanks and gratitude to all the librarians of engineering colleges of Maharashtra for providing me valuable data for this work.

I am thankful to Dr. S. B. Mirza for his help in preparation of manuscript.

I also extend my thanks to Mr. Gajanan Khiste, Mr. Datta Gavali for helping me in data collection.

I am also very much thankful to my father Nagnathrao, mother Sow. Champabai, wife Sow. Vandana, and my sons Kedar and Vivek, without their moral support and inspiration; this work would not have been possible.
