ACKNOWLEDGEMENT

The author expresses his profound gratitude and sincere thanks to Dr. R. Sundararajan, Principal, Government College of Technology, Coimbatore, for his valuable guidance, suggestions, constant support and encouragement throughout the period of this research work.

The author is grateful to Dr. J. V. Ramasamy, Professor and Head, Department of Civil Engineering, PSG College of Technology, Coimbatore, and Dr. K. Subramanian, Professor and Head, Department of Civil Engineering, Coimbatore Institute of Technology, Coimbatore, for their expert comments given during periodic doctoral committee meetings. The author is thankful to Dr. M. Isaac Solomon Jebamani, HOD, Dr. M. Natarajan, Assistant Professor, Department of Civil Engineering, Government College of Technology, Coimbatore, for the facilities provided to carry out the research work.

The author expresses his sincere thanks to Dr. A. Veeraragavan, Professor, Department of Civil Engineering, IIT, Chennai, Dr. S. Moses Santhakumar, Professor and Head, and Dr. Samson Mathew, Professor, Department of Civil Engineering, NIT, Trichy, for their timely suggestion.

The author expresses heartfelt appreciation to his friends Dr. C. Meiaraj, Assistant Professor, Prof. K. Rajupillai and all Staff members in Civil Engineering Department, Government College of Technology, Coimbatore, and Dr. P. Balamurugan, Construction Manager, Airport Authority of India for their constant encouragement during this research work and also to UG Student S. Sivaganesh. The author is greatly indebted to his family members for their loving support and encouragement without which this work would not have been possible.
