I also extend my obligations to my wife Dr. Smt. A. Asthana, my son Geetesb, Daughter Sugandha & specially sweet and cute Sumedha who always remained prepared to cooperate and help me without which this research work was not possible.

I also pay my gratitude my brother Sri. R.S. Asthana, his son Akash & Sweta and my nephews Paresh, Yasharth Deep and nieces Shipra and Shachi and their father Sri B.N.Asthana who encouraged me for this project from time to time.

My sincere thanks to my cousins, relations, in-laws friends and well-wishers who also remained the source of the inspiration for me for preparation of this research study.

I am also much thankful to Sri Mahesh Yadav, Stenographer who helped me a lot in preparation of this thesis, without his help, it was not possible for me to carryout this project.
ACKNOWLEDGEMENT

It is my great privilege to have Dr. R.N. Rai Head, Department of Business Management & entrepreneurship, Dr. Ram Manohar Lohia Avadh University, Faizabad, as the guide and supervisor of this research study. No word is available with me to express the feelings of heart, but it is my foremost duty to express deep sense of regard to him for the pain and interest taken by him in this research study. Without his kind cooperation and able guidance the present work could not have been completed. Right from the time of selection of topic, preparation of synopsis, data collection, interpretation and preparation of the report of thesis, Dr. R.N. Rai has been kind enough to guide me at every step by his vast knowledge and wisdom. I have not only carried out the present research, but learned a lot regarding research in management.
I wish to express my deep gratitude to Dr. Rajiv, a senior scientist from time to time, to carry out this project.

I am also thankful to the staff members of the B.H.U., Allahabad University, Gaikavad library of B.H.U., Delhi school of economics, Delhi, Ministry of civil supplies and consumers affairs, New Delhi, Indian Institute of Public Administration, New Delhi, Consumers coordination council New Delhi, State Grievances Redressal Agency, Lucknow, etc. and other various organizations, institutions, departments etc. which assisted me in providing information and issuing the subject material needed for this research study.

I pay my sincere regard to my father (Late) Sri K.B.Asthana (B.A. from B.H.U. in 1932), and my mother who inspired and blessed me always for this research study.
I am also thankful to Mr. Shahabuddin who also helped me in computer work and M/s. Dhruv Binder, Lanka, Varanasi, who gave a good shape to this thesis for presentation before others.

At the last but not the least, I pay my thanks and regards to all those who helped, encouraged and inspired me from time to time for completion of this research study work.

At the end it is humbly submitted that although every efforts & care have been taken to make this research study & thesis mistake & error free, yet due to human error & typographical mistakes etc, their might have occurred some mistakes & errors. In view of above it is requested that learned academicians will not mind & will be kind enough to pardon me for same.
