ACKNOWLEDGEMENT

I would like to thank and dedicate my work to Omnipresent Almighty who have helped me in different stages of the work and played an important role in making this thesis possible.

I deem it to be a great pleasure to express my esteemed gratitude to Dr. Sunanda Kirtane, Reader, Department of Physics, Bipin Behari P.G. College, Jhansi, my mentor and guide, whose talent and enormous efforts nurtured this work from its initial stages till completion. I thank her for her invaluable advice, inspiring and kind guidance and for her faith in my ability to perform this task.

I express my special regards to Dr. D.P. Mishra, Principal, Bipin Behari P.G. College, Jhansi and all the respected members of the Department of Physics, Dr. Rudrakant Srivastava, Reader, Dr. R.B. Sharma, Reader, Dr. Krishna Gandhi K.R, Reader, Dr R.P. Kushwaha, Reader, Dr. D. D. Gupta, Reader and Dr. Sarvesh Asthana, Lecturer for their kind support, encouragement and guidance throughout my research work.

I extend my sincere thanks to Shri Ram Gopal, Regional Officer of the U.P. Pollution Control Board department at Jhansi, for allowing me to use the very sensitive and sophisticated Sound level Meter (which is one of the most important part of this research work) along with their humble and very energetic team of expert Scientists namely Shri Yogendra Kumar Dixit, Shri B.K. Tiwari, Shri Manoj Verma, Shri Raj Karan Verma, Shri Ravi Raj Verma, Shri K. Santosh Kumar(J.E.), Shri Abhishek Shrivastava (L.A.) & Shri Rishi Kumar (L.A.) to monitor the above work in all seasons and all time. I am also thankful to Dr. T. N. Singh (A.S.O.) & Dr. Madhavi Kamalvanshi (A.S.O.), for their useful comments and suggestions and above all, the very co-operative staff of the Pollution department including Shri Ashutosh Chauhan, Assistant Environmental Engineer, Shri S.P. Singh [iii]
(J.E.), Shri T.B Singh (Sr. Accountant), Shri Ram Naresh Pal (Sr. Asstt.),
Shri Vijay Kumar, Shri Paras Nath Saroj, Mr. Mubin Khan (Asstt.) and Shri
Chedi Ram for their kind support and co-operation.

Thanks are due to my colleague Dr. Brajesh Dixit & Dr. Deepesh
Kumar Dixit, who constantly encouraged me to perform my work in time.
Also Thanks to my Sister Dr. Vidyottama and her husband Shri Amit
Saraiya, Scientist-C, DRDO, Deptt. of Govt of India at Kanpur and my two
younger brothers Mr. Vinay Mudgil, Director in film industry in Mumbai
and Mr. Vineet Mudgil, Deputy Manager in Agro Chemical Industry in
Delhi.

I also express my deep gratitude to my ever respectable parents Dr.
M.L. Mudgil and Smt. Kamla Mudgil and my beloved wife Smt. Meenu
Mudgil, including my two loving children Naman & Nandini who gave me
an emotional & moral support to achieve this goal.

Lastly, I would like to express my gratitude to Prof. M.P.Gupta,
Advocate; Dr. J. L. Kanchan of Bundelkhand University and Shri Vishnu
Gupta, Industrialist, who have always been very cordial and supporting in
this venture. It pleases me most to thank sincerely to Shri Shailendra
Srivastava (Sr. Accountant) and Shri Devendra Sahu (Lecturer), without
whose support, thesis would have not come in this shape. And thanks are due
to Mr. Devendra Jha, who took pains in editing and plotting graphs while
typing this thesis without blemishes and turned it to be the real presentation.

At the end, I express my thanks to all those persons who knowingly or
unknowingly were always at my service to help me.
