ACKNOWLEDGEMENTS

Indeed, I am very fortunate to have an opportunity to express my profound sense of gratitude and indebtedness to my revered supervisor Dr. R.C. Ramola, Reader, Department of Physics, H.N.B. Garhwal University Campus, Badshahi Thaul, Tehri Garhwal, for his benevolent attitude, unvarying and judicious guidance, precious suggestions, constant inspiration and constructive criticism all the way in accomplishing the work. I wish to express my deep sense of gratitude to my sacred co-supervisor Dr. J.M.S. Rana, Reader, Department of Physics, H.N.B. Garhwal University Campus, Badshahi Thaul, Tehri Garhwal, who encouraged and guided my early endeavour with his invaluable prevailing knowledge at every stage of my research work. Without their help, this work would not have succeeded.

My sincere thanks are due to Dr. P.D. Semalty, Head, Department of Physics, H.N.B. Garhwal University Campus, Badshahi Thaul, for his sustained encouragement and timely help. I extend my sincere gratitude to Dr. A.A. Bourai, Reader, Department of Physics, H.N.B. Garhwal University Campus, Badshahi Thaul, for his constant encouragements and suggestions.

I am highly obliged to Dr. V.M. Choubey, Wadia Institute of Himalayan Geology, Dehradun, Dr. T.V. Ramachandran and Dr. K.P. Eappen, Bhabha Atomic Research Centre, Trombay, Mumbai and for helpful discussion and useful suggestions about the radon measurement techniques. I am highly thankful to my research colleague Dr. Yogesh Prasad for the fruitful discussion and critical help during the completion of the course of this study.

I am extremely thankful to my colleagues Dr. M.S. Negi, Mr. Subhash Chandra, Mr. Gurupad Singh Gusain, Ms. Ambika Negi and Mrs. Manjari Badoni, for their enormous help during the course of
this study. I am also thankful to Ms. Vandana Saini and Mr. Sandeep Kumar Raghuovanshi, Research fellows, Department of Zoology, H.N.B. Garhwal University Campus, Badshahi Thaul, for their helping attitude all the ways. My sincere thanks are also due to Dr. S.P.S. Rajput, Mr. Mahipal Singh Bhandari, Mr. Kripa Ram Joshi and Mr. Kamleshwar Prasad Chamoli for extending the technical support during the course of this study.

I found myself unable to expose the splendid touch of my parents Mrs. Kaushalya Devi & Mr. Girish Prasad Raturi, whose auspicious blessing and marvelous endorsement paved me the way to acquire such a cumbersome breakthrough.

I could not ever refund myself to the prudent and efficient cooperation of my family members, especially brothers Dinesh Raturi and Mahesh Raturi, who always prompted and proliferated perceptual power within me to achieve each and every tedious ambition of life in various capacities.

The financial assistance rendered by the University Grant Commission, New Delhi, in the form of Research fellowship is gratefully acknowledged.
