ACKNOWLEDGEMENTS

The present thesis is the outcome of the research work done by Hamamt Kumar during the year 2012 – 2016, as a research scholar of N. R. E. C. College Khurja, under the supervision of Dr. M. C. Sharma, Associate Prof., Department of Mathematics, N. R. E. C. College Khurja, Ch. Charan Singh University, Meerut.

This thesis involves the contributions and cooperation from many people to whom I would always remain thankful.

First of all, I would like to express my sincere sense of gratitude to my respected supervisor, Dr. M. C. Sharma for his guidance, inspiration and encouragement throughout this work. I was fortunate enough to have an opportunity to work under his supervision and gain from his knowledge and experience.

I am highly thankful to Dr. K. D. Sharma, Principal N. R. E. C. College Khurja. Special thanks are due to Dr. B. S. Sharma, Dr. S. K. Singh, Dr. O. V. Singh and Dr. Rekha Rani for affection and constant encouragement of Department of Mathematics, N. R. E. C. College, Khurja. My thanks are also due to of my research scholar friends at N. R. E. C. College Khurja, which include Dr. Nidhi Sharma, Dr. Nigam Kumar, Dr. Vipin Kumar Solanki and Neeraj Tomar. The help provided by Mr. Karan Rathore during the writing of the thesis is especially acknowledged.
I express my heartfelt gratitude to my highly respectable and adorable father, Shri Panna Lal and mother, Smt. Ganga Devi for their unconditional love, encouragement and blessings. Words can never express my feelings for them. I also express gratitude to my Sisters: Smt. Braj Bala, Smt. Madhu Bala, Smt. Sudha Rani, Sarita and thanks to my younger brothers: Hariom and Rohit Kumar their love, moral support and encouragement and a lot of love to my lovely niece: Himanshu, Kukki, Luckey, Dev, Aadi, Tanya and Tribhaya.

My thanks are also due to several of my friends of institute Dr. Bhim Singh, Dr. Vijay Kumar, Dr. Nisha Verma, Dr. Sarvesh Mani Tripathi, Naresh Kumar, Pradeep Kumar, Sanjeev Kumar, Akash Kumar (Eshu) and Sushil Kumar, for their complete support and valuable advise which helped me in my research work.

I also want to express my sincere thanks to all those who directly or indirectly helped me at various stages of the work but I could not mention their name due to shortage of the space.

N. R. E. C. COLLEGE, KHURJA

(HAMANT KUMAR)
