

## Acknowledgements

*All the praise is for Allah Almighty who makes things possible that seem utterly impossible to us mortals. I herein acknowledge, from the core of my heart, the support, assistance and consideration given to me during this research programme by many individuals and institutions at different times and places, through different media.*

*First of all, I am extremely grateful to my supervisor, Dr. Mohd. Asim Siddiqui, who has been extremely sympathetic, thoughtful and flexible toward me. I am profoundly thankful to him for his meticulous reading of this thesis in short time. Further, he has always encouraged me to continue with my work according to my heart. I do remember him saying, "You may not have many friends at this new place; I am your friend." I am really grateful to him.*

*I am also thankful to Dr. Asif Shuja, Chairman Department of English, Aligarh Muslim University, for her kindness and help.*

*Many other people, mostly teachers, have been helpful to me. I am immensely grateful to them. They include: Dr. Nusrat Jan, Associate Professor, Department of English, Kashmir University; Dr. M. Aslam, Professor, Department of English, Kashmir University; Dr. Lily Want, Professor, Department of English, Kashmir University; Dr. M. K. Zaman, Professor, Department of History, Aligarh Muslim University; Dr. Gijbert Oonk, Associate Professor, Erasmus School of History, Culture and Communication, Erasmus University Rotterdam, the Netherlands.*

*I am grateful to the staffs of some libraries also. They include: Maulana Azad Library, Aligarh Muslim University; Seminar library of Department of English, Aligarh Muslim University; Seminar library of Department of History, Aligarh Muslim University; Departmental library of Department of English, Kashmir University; Computer laboratory of Department of Computer Sciences, Aligarh Muslim University.*

*Some agencies have also helped me. Scholars without Borders, a book company in Delhi, helped me obtain books from Canada, particularly Rohan Ananda Ramaswamy, technical assistant in the company; Flipkart has also been helpful. Ms. Siziwe Solani, technical assistant, African Journals Online, e-mailed a very useful article "purely for research purposes" without taking any charges.*

*And, my friends have always given valuable suggestions and encouragement. A very big 'thank you' to: Manzoor, Fayaz, Humayoun, Javaid, Sherly, Sahidul, Safiul and Habib Bhai.*
