Acknowledgements

It is a great pleasure and honour to express my deep sense of gratitude and respect to my guide Dr. H. S. Ramane, Professor, Department of Mathematics, Karnataka University, Dharwad. I am grateful for his untiring and prompt help by sparing his valuable time in the supervision of this work by identifying errors and suggesting ways to rectify them. I have learned so many things from him and he has inspired me in so many ways. He has been invaluable in both academic and at personal level, for which I am extremely grateful for his caring, persuading and compassionate nature.

My Sincere thanks to Prof. B. Basavanagoud, Chairman, Department of Mathematics, K. U. Dharwad. Also my special thanks to Dr. S. S. Benchalli (Rtd.), Dr. (Smt.) S. C. P. Halakatti (Rtd.), Dr. P. M. Patil, Dr. P. G. Patil, Dr. S. C. Shiralashetti, Dr. D. G. Prakasha, Dr. (Smt.) R. S. Dyavanal, Dr. (Smt.) Asha S. K., Mr. Kumbinarasaiah S., for their guidance and encouragement during the course of my research work.

I express my sincere thanks to Dr. Ishwar Baidari, Associate Professor, Department of Computer Science, Karnataka University, Dharwad, Dr. Ivan Gutman, University of Kragujevac, Serbia, Dr. Abdolla Alhevaz, Shahrood University of Technology, Iran, Prof. N. M. Bujurke, INSA Honorary Scientist, Department of Mathematics, Karnataka University, Dharwad, for their guidance and suggestions during my research work.

I owe my heartfelt gratitude to Prof. H. B. Walikar, Former Vice-Chancellor, Karnataka University, Dharwad, for his blessings.

I extend my thanks to Vice-Chancellor, Registrars and Librarian and all other official staff of the Karnataka University, Dharwad for their support during my tenure.

I am very much obliged to University Grants Commission (UGC), New Delhi, for providing Research Fellowship under UPE FAR-II for the financial support.
I take the privilege to thank all my research colleagues Mounesh Kantli, Aravind Deshi, Ravikiran Mundewadi, Nandeesh K. C., Raju Jummanavar, Gouramma Gudodagi, Ashwini Yalnaik, Abeda Dodmani, Ashok Rathod, Madhura Mathai and all other research colleagues for their kind co-operation, lively support and joyous company during my research work.

I take this opportunity to express my thanks to my beloved friends Shankargouda Patil, Vinayak Kyalkond, Shashank Shindhe, Basavaraj Gaddigal, Gururaj Gurummanavar, Mahesh Sajjan, Manjunath Pujar, Arundati Kuntoji.

Finally, I would like to acknowledge most important people in my life, my mother Paravati V. Manjalapur, my father Virupaxappa H. Manjalapur, my brother Vishwanath V. Manjalapur and other relatives. Thanks for their love, patience, moral support, kindness. Which formed part of my vision and taught me the good things that really matters in my life.

Without the blessings of Almighty this work would not have been possible. Lastly, I thank all those who helped me directly or indirectly in the preparation of this thesis.

Vinayak V. Manjalapur
