Acknowledgement

It is really very difficult to express in words my deep debt of gratitude to Dr. Santosh Kumar, Reader, Department of Physics, Christ Church College, Kanpur, for his immensely valuable guidance, constant encouragement and inspiring help at every step of present work, as supervisor. I shall remain ever grateful to him for having inculcated in me the spirit of hard work.

I am also grateful to Dr. (Mrs.) Damyanti Tripathi, wife of Dr. Santosh Kumar, for her sincere and kind co-operation during these years.

I offer my regards to Dr. Parvez E. Deen, Principal, Christ Church College, Kanpur, for his ever ready helping hands and support during the course of the present work.

I am obliged to Dr. V. K. Srivastava, Head, Department of Physics, Christ Church College, Kanpur, for providing me the necessary research facilities needed to carry out the present research work.

I would also express my sincere thanks to Dr. S.P. Singh for his valuable suggestions and help during various phases of this work.

I do acknowledge the consistent help and moral support offered by my co-researcher Ms. Shikha Shukla to complete this work. I would also express my sincere thanks to all of my co-workers in the lab., Mr. Neeraj Sharma and Mrs. Jyoti Sharma who have helped me all the time by various ways.

I wish to express my love and gratitude to my family and friends whose blessings helped me during the course of work. Particularly I would like to extend my special thanks to my mother in law Mrs. Subhadra Kashyap and my husband Mr. Nitin Gaur, for their patience, understanding and support to do this work. I am greatly indebted to my parents Mrs. Suman Singh and Mr. B. N. Singh as they have always been my pillars of strength, though my tongue runs short of words to express my real emotions.

Finally and most importantly, I would like to thank The Almighty for His blessings and kindness, a boundless and an endless source of inspiration for me always.
