ACKNOWLEDGEMENTS

I deem it a pleasant duty to express my profound sense of gratitude to Dr. D. Jayakumar, M.A., M.Sc., Ph.D., Professor and Head, Department of Geology, P.G. extension centre, University of Madras, Salem - 11 for having suggested this topic. His valuable guidance, interesting discussions, fruitful suggestions and supervision throughout the period of this research work shaped me considerably in improving the content of this dissertation.

I am indebted to all the investigators referred to in the text and as well as those who have granted permission to use their materials.

I thank Dr. S. V. Ramasamy, M.Sc., D.I.P. in Rem. sens., Ph.D., Professor and Head, School of Earth Sciences, Bharathidasan University, Trichy - 23, for giving the permission to make use of Remote Sensing data available in the school.

It is my pleasure to thank Dr. C. Mohana Doss, M.Sc., Ph.D., Asst. Professor of Geology, College of Engineering, Anna University, Madras - 25 for his valuable suggestions and discussions.

I wish to thank Mr. Abdul Hameed Khan, B.E., M.I.E., Chief Engineer (Ground Water), P.W.D. Government of Tamil Nadu, for his kind permission to avail necessary facilities at Remote Sensing Laboratory, Taramani, Madras - 113 to interpret the aerial photos and Landsat imageries regarding Salem district.

A very special mention is due to Mr. T. Balasubramaniam, Asst. Director (Photogeology) and Mr. Prabhu, Asst. Geologist for helping me to interpret the aerial photos and Landsat imageries at Remote Sensing Laboratory, Taramani, Madras - 113.
I thank Mr. M. S. Anand, M.Sc., AISM., Asst. Professor of Geology (Retd.) and Mr. S. Balakumaran, M.Sc., M.Phil., Lecturer in Geology, Government College of Engineering, Salem - 11 and Mr. S. V. Govinda Raju, M.Sc., M.Phil., and Dr. V. Manivannan, M.Sc., M.Phil., Ph.D., Senior lecturers in Geology, Government Arts College, Salem - 7 for their valuable suggestions and discussions.

Many friends have assisted me, but special mention should be made of Mr. R. Janardhanan, M.Sc., Mr. J. Rajmohan, M.Sc., Mr. S. Balasubramaniam, M.Sc., and M. Senthil Kumar, B.Sc., [Comp. Tech.] D.S.W., for their help during the extensive field study and photographic session.

I thank Mr. C. Palani Sany, M.Sc., Mr. S. Thirumurthi, M.A., M.Sc., K. Faiz Mohamed Khan, M.Sc., Mr. A. Perumal, M.Sc., and other fellow researchers in the Department for their kind help and encouragement.

I would like to thank E.S. Systems for undertaking electronic typewriting of my Script.

Finally, I would like to thank my family members, who have been an unfailing source of encouragement and support through the arduous process of preparing a dissertation of this sort.

V.B.
