ACKNOWLEDGEMENTS

The author wishes to record his sincere and deep sense of gratitude to Prof. D. JAYAKUMAR, M.A., M.Sc., Ph.D., Head, Department of Geology, Madras University P.G. Extension Centre, Government College of Engineering Campus, Salem-11, for suggesting the problem and constant encouragement throughout the work.

The author is grateful to Prof. A.S. Janardhanan, M.Sc., Ph.D., for his valuable suggestions.

Sincere thanks are also due to Prof. S. Gnanashanmugam, M.Sc., Ph.D., Head, and all faculty members, Dept. of Geology, Government Arts College, Salem-7, for their co-operation and kind help.

The author gratefully acknowledges the help and assistance rendered by Mr. N. Mani during field investigation.

He appreciates Mrs. Sacikala Sabanayagam for her help extended during the entire period of this work.

Thanks are due to the faculty members, Dept. of Geology, A.C. College Campus, Madras-25 for their valuable guidance.

Finally he acknowledges S. Syed Jalal and Gopi Typists for typing the thesis neatly.

(R. SABANAYAGAM)
