Dedicated to my Father and mother in-law…
ACKNOWLEDGEMENTS

I would like to express sincere thanks to my research supervisor, Prof. N. Sakthivel, Head, Department of Biotechnology for providing me an opportunity to carry out doctoral programme. His constant encouragement, valuable discussions were vital in developing the key concepts, interpretation of results and played key role and resulted into this thesis.

I sincerely thank my doctoral committee members, Prof. K. Srikumar and Dr. N. Arumugam for providing valuable suggestions during course of study.

I gratefully acknowledge the valuable and unconditional support offered by Prof. S. Balakrishnan, Director of Research, and Dr. Jitendra Kumar Dash, for their constant support during my research. I sincerely thank Prof. N. Parthasarathy for helping me in the identification of plant species and Dr. C. Muthumperumal for guiding me in sample collection.

I am very much indebted to Prof. S. Jayachandran, Dr. V. Arul, Dr. N. Arumugam, Dr. A. Hannah Rachel Vasanthi, Dr. B. Sudhakar, Dr. Lata Shukla, Dr. K. Prashanth, Dr. V. Venkateswara Sarma, and Mr. V. Balasubramaniam and Dr. Arun Kumar Dhayalan for their support and encouragement.

I would like to express my sincere thanks to Dr. S. Ramasamy, Coordinator, Central Instrumentation facility, Ms. S. Elisa Fathima, Mr. N. Kirubakaran, Mr. S. Balamurugan, and Mr. G. Karunakaran Department of Earth science for helping me with the analyses of rock samples.

I am thankful to Department of Biotechnology office staffs, Mr. C. Balakrishnan, Mr. P. Ramalingam, Mr. C. Vadivelou, Ms. D. Sarala and Ms. Vinothini for their co-operation during my course of study.

I am thankful to my seniors, Drs. R. Sunish Kumar, N. Ayyadurai, S. Isaac Kirubakaran and P. Ravindra Naik for their support throughout my course of study.
I am thankful to all my Colleagues, Mr. K. Badri Narayanan, G. Raman, Kamraj Kennedy, Jean Cletus, G. Rahul, Gandhi Pragash, Ms. J. Pathma, B. M. Asha, M. Revathi, S. Veena and P. Lalitha for their friendship, co-operation and support.

I extend my sincere thanks to Research Scholars of Earth Sciences for their help and company throughout the course of my study.

I am thankful to all my Colleagues, I thank all my fellow colleagues, seniors and juniors, for their company and co-operation and support.

I am thankful to my family members for their blessings, support, love and care.
