Acknowledgements

All praise is to the Almighty, who gave me the strength, perseverance, patience and confidence to carry out this research work successfully. All the mercy, attention and blessing which God granted me during this work as well as during all my life to recognize the right path and reach my goals.

I would like to express my sincere gratitude to Dr. Charan Jeet Singh, Associate Professor, Department of Mathematics, Guru Nanak Dev University, Amritsar with soul and heart for giving me consistent and elaborate guidance and enthusiastic encouragement during my research work. With his valuable advice, creative criticism and guidance I have completed this research work.

I am greatly indebted to Dr. Madhu Jain, Department of Mathematics, I.I.T. Roorkee, for imparting her valuable suggestions and instructions during the period of my investigations. I have been immensely profited from the discussions with her.

I wish to record my sincere gratitude to revered Principal, M.L.U. DAV College, Phagwara and Dr. Parminder Singh, Associate Professor, Department of Mathematics, Guru Nanak Dev University, Amritsar for kind cooperation during my study. I am also thankful to Dr. L. K. Grover, Head, Department of Mathematics, Guru Nanak Dev University, Amritsar for his cooperation during every stage of this work.

Words may not be sufficient to express my feeling towards my parents who enlightened the dream, laid the foundation and blessed me to complete this work. I am highly obliged to my elder brothers for their heartiest love and affection.

This acknowledgement will remain incomplete without indebtedness to all the known and unknown authors, whose works I had consulted frequently in completion of the research work and from which I learned immensely. I extend my gratefulness to the libraries of Delhi University, I.I.T. Roorkee and Guru Nanak Dev University, Amritsar for permitting me to consult all relevant literature.

At last, but not the least I would like to take the opportunity to offer my appreciation and sincere thanks to my wife for her considerable encouragement and constant support during my research work.
