Acknowledgements

Penning down this acknowledgement, my mind, body, heart and soul are immersed in a pool of indebtedness. Besides God, I extend a heartfelt gratitude to Dr. Shrutti Shourie, (Department of Psychology, D.A.V. College, Chandigarh) my guide and mentor, who made my path towards achieving my goal of successful completion of my PhD much easier. It could not have been possible without her impeccable guidance, keen interest, enthusiastic approach and patience. She has been a guiding light throughout my PhD. I cannot thank her enough for her relentless support during the project. Blessed are those who have the rare opportunity of working under the expert guidance of mentor like that of mine.

My spree of being grateful would be incomplete without thanking the Chairperson, Dr. Harpreet Kaur Chabbra Department of Psychology, Panjab University Chandigarh for her immense support. It is an honor for me to express my profound gratitude to Professor Emeritus of Psychology, Dr. Jitendra Mohan. Words are not enough to extend my thanks and reverence to Professor Meena Sehgal, Department of Psychology, Panjab University Chandigarh.

I am highly grateful to faculty of department of psychology Professor Anuradha Bhandari, Professor Seema Vinayak, Dr Roshan Lal, Panjab University, Chandigarh. All the faculty members of the department of psychology have been very kind to me and have helped me to the best of their abilities, I feel so obliged to all of them.

It is a pleasure to thank all the professors of D.A.V. College, Department of Psychology, Chandigarh; Dr. Aradhana Sharma, Dr. Komila Parthi, Dr. Rohini Thapar, Ms. Pratibha, Ms. Harpriya Singh and Dr. Amanendra Mann, Department of Physical Education, D.A.V. College, Chandigarh for their unconditional support and encouragement.

I owe my thanks to Dr. Rupak Chakravarty, Department of Library Science, Panjab University, Chandigarh.
The staff of the district drug de-addiction and rehabilitation centre Fatehgarh Sahib where I worked has also proven a great aid in achieving this goal of my life. I am highly grateful to all the participants for their contribution as subject in this research.

For successful completion of my thesis, what one surely needs is a conducive environment, I was fortunate enough to get one such environment at AC Joshi library Panjab University Chandigarh. The staff at the library provided me with much needed support.

I am very thankful to Library In-charge, Ms. Santosh, entire laboratory and office staff of Department of Psychology, Panjab University Chandigarh. Ms. Madhu, Department of Psychology, D.A.V. College, Chandigarh has been accommodating and delivered her services to the best whenever needed.

I am highly grateful to Chandan Preet for always being helpful and supportive. Her critical thinking and innovative problem-solving ability was an aid during each step of my project.

I would like to express my whole-hearted appreciation to Neha Chopra, Megha Bindrani, Dr. Harshmeet kaur, Parminder Singh, Monika Mam, Kuldeep Singh, Sonipal, Dr. Usha Sharma, Dr. Sukhmani Singh, Rajni Gupta, Rajni Kataria, Daman Sandhu, Dr. Kuldeep Rana, Charan, Jaskaran, Model, Vijay, Lali, Parvesh, Vipan, Amit and Ankush for their constant and unstinted support and encouragement which greatly motivated me in all my endeavours.

Throughout my research, I got immense motivation from Dr. Parminder Singh, Ankj Anand, Adv. Parwinder Kaur, Dr Narinder Singh, Dr. Jaspal Singh, Dr. Devender Kumar Rana, Dr. Navdeep Singh Brar, Dr. Bidhi Chand, Ravinder Yadav, Imrose, Hardeep, Waseem, Kamal, Dr. Ibadat Khan and Sandeep Kumar who always supported me with their critical faculty.

I am truly beholden to all the faculty members, Dr. B. S. Sandhu, Dr. Gurminder Sokhey, Dr. Harprit Kaur, Dr Vidhu Mohan, Dr. Nalini Malhotra, Dr. Damanjit Sandhu, Dr. Mandeep Kaur Dr. Tarika Sandhu and Dr. Mamta Sharma for building a strong
foundation for this journey during my post-graduation in Psychology at Punjabi University, Patiala.

I am highly thankful to Professor Dr. Suresh and his student Mr. Rajesh, Department of Statistics, Panjab University, Chandigarh, for helping me through difficult task of statistical analysis.

I dedicate this thesis to big five of my life, Mr. Jasmer Singh & Mrs Gurpreet Kaur (my parents), and the role models of my life Mr. Avtar Singh Billing & Mrs. Sukhdev Kaur (Tai ji & Tai ji), Dr. Shruti Shourie (my guide & mentor), who made this journey a great learning experience for me.

I would like to express my whole-hearted appreciation to all those who by virtue of their professional acumen and expertise rendered selfless assistance in preparation and submission of this thesis in the present form.

Last, but not the least, I would like to mention that there is no substitute for the comfort and unconditional love of my family members Mr. Sarbhjit Singh, Mrs. Manjit Kaur, Rupinder Singh, Mandeep Kaur, Birdevinder Singh, Jasmine Kaur, Mandeep Kaur, Gurdeep Kaur, Daman, Deepkaran, Sehej, Simmer, for their ceaseless, unhindered and unconditional support throughout my journey to complete this project. Had they no faith in me, I would have given up long before. To keep me going on, they always kept me reminding that,

“THE WOODS ARE LOVELY, DARK AND DEEP, BUT I HAVE PROMISES TO KEEP, AND MILES TO GO BEFORE I SLEEP, AND MILES TO GO BEFORE I SLEEP”

(ROBERT FROST)
