ACKNOWLEDGEMENT

I express my deep sense of gratitude to Dr. Mohan Kumar Biswas, Assistant Professor, Plant Pathology, Department of Plant Protection, Palli Siksha Bhavana, Visva-Bharati, Sriniketan under whose supervision, the present study was carried out. I convey my heartfelt thanks to him for his valuable guidance, suggestions and encouragement during the entire period of investigation.

My sincere thanks to Dr. Ranjan Nath, Present Head and Dr. Hirak Chatterjee, Former Head of Department of Plant protection, Palli Siksha Bhavana, Visva-Bharati, Sriniketan who extended their aiding hands in every stage of my study.

I am grateful to Prof. N.C. Mondal, Dr. Bholanath Mondal, Prof. Kanchan Baral, Dr. Palash Mondal and Dr. Swarnali Bhattacharya, Department of Plant protection, Palli Siksha Bhavana, Visva-Bharati, Sriniketan for their immense help and guidance without which the completion of my course of study would not have been possible.

My heartiest and sincere thanks to Dr. B.S. Naik, O.I.C., AICRIP, Chiplima and Former A.D.R., RRTTS, Chiplima for his constant help, valuable advice and suggestions during the course of study.

I sincerely express my deep appreciation to Prof. B. N. Panja, Professor, Department of Plant Pathology, BCKVV, Mohanpur, Nadia for his consistent help and words of encouragement.

My heartiest thanks to all my year mates, Nagmani, Debjani, Gautam Sir, Atit, Manish, Uttam Sir, Pradeep and Sanjay Sir for their helping hands from time to time to make this study fruitful.
I would like to appreciate the help rendered in various ways by the staff of the Department of Plant protection, Palli Siksha Bhavana, Visva-Bharati, Sriniketan during the course of study.

My thanks are due to the field staff and labours of AICRIP, RRTTS, Chiplima for their constant help in every stage of my research work.

I gratefully acknowledge the financial help provided by ICAR- IIRR (Formerly DRR) and OUAT which enabled me to pursue the research programme.

My heartiest thanks and regards to Maa, Babu and Baba for their blessings and constant inspiration.

Finally my loving thanks to my son, Diparun (Rik) for being the bright spot in my life and my husband Dipankar for his unboundful love and constant help without which I may not be able to complete the research investigation and reach this destination.
