I would like to express my special appreciation and thanks to my research supervisor and guide, Dr. Kapil Sharma of the Department of Finance, Institute of Management Studies, Devi Ahilya Vishwavidhyalaya, Indore, who have been a tremendous mentor for me. I would like to thank him for encouraging my research and for allowing me to grow as a researcher. He advised me on both research as well as on my career so that it becomes priceless. He has taught me, both consciously and unconsciously, how good research is done. I am highly obliged and thankful for all his contribution of time, ideas and moral support to make my Ph.D experience productive and stimulating. The joy and enthusiasm he has for
research was contagious and motivational for me even during tough times in the Ph.D pursuit. His encouragement, supervision and support from preliminary to the concluding level enabled me to develop an understanding of the subject. I am also thankful for the excellent example he has provided as a successful mentor.

I, owe my most sincere gratitude to Dr. Shivali Aggarwal for her guidance in research analysis. Her wide knowledge and logical way of thinking have been a great value for me. It would have been next impossible to write thesis without her help and guidance. I also like to express my gratitude to her for making me understand the basic things which helped me in doing accurate data analysis.
I, also extend my heartfelt thanks to my family for their support and great patience at all times. My in-laws Mrs. Parveen Mahajan and Mr. Anil Mahajan have given me their unequivocal support throughout, as always, for which my mere expression of thanks likewise does suffice. My acknowledgement would be incomplete without offering my sincere thanks to my husband, Mr. Saurabh Mahajan, who always stood by my side, immensely supported me during the difficult phase of my work and motivated me to accomplish my task. I am also thankful to my son Aarav Mahajan who is with me.

A special thanks to my parents. Words cannot express how grateful I am to my mother, father and my brothers for all of the sacrifices that they have made on my behalf. There prayer for me was
what sustained me thus far. There love provided me inspiration and was driving force. Their silent support and encouragement allowed me to finish this journey and helped me to fulfill my dreams. I would also like to thank all of my friends who supported me in writing, and incented me to strive towards my goal.

I hope that this work makes you all proud.

Mani Bharadwaj
