List of Figures

Figure1 - *Moringa oelifera*
Figure2 - Chemical structure of saponin
Figure3 - *Anopheles stephensi*
Figure4 - *Moringa oelifera* leaves
Figure5 - Sample collection site in Dayalbagh campus
Figure6 - Soxhlet assembly
Figure7 - Showing experiment setup of eggs of *Anopheles stephensi*
Figure8 - Showing experiment setup of pupae of *Anopheles stephensi*
Figure9 - Showing experiment setup of first instar larvae of *Anopheles stephensi*
Figure10 - Showing experiment setup of second instar larvae of *Anopheles stephensi*
Figure11 - Showing experiment setup of third instar larvae of *Anopheles stephensi*
Figure12 - Showing experiment setup of fourth instar larvae of *Anopheles stephensi*
