ACKNOWLEDGEMENT

I express my deepest sense of gratitude and sincere thanks to Dr. P J Handique, Professor and Head, Department of Biotechnology, Gauhati University, Guwahati, Assam, for his valuable guidance, scientific advice and encouragement throughout the course of investigation, also trained me in the field of higher Biotechnology and Bioinformatics under the DBT programme, Govt. of India and preparation of proper form of this thesis.

I express my thankfulness to S C Ray, Deputy Secretary, UGC- NERO, for giving me the Award of Teacher Fellowship under Faculty Development Programme during XI Plan Period.

My heartiest thanks to Dr. Justice M K Sharma, Former Judge, Supreme Court of India and present Chancellor of Lal Bahadur Shastri Rastriya Sanaskrit Vidyapeeth, New Delhi, Dr. Narendra Nath Sharma, Former Professor & Head, Dept of MLibSc, Librarian, K K Handique Library Gauhati University and President, Governing Body Pragjyotish College, Dr. Irshad Ali, Former Professor & Head, Dept of Anthropology, GU, Prof. Jitendra Nath Bhattacharyya and Dr. Arpana Thakuria, Former Head, Dept of Botany, Pragjyotish College, Dr. S K Borthakur, Former Head & Professor, Dept of Botany, GU, Dr. Dhani Kalita, Principal Scientist, AAU and Dr. Ramani Barman, Joint Registrar, GU, for their blessing and valuable suggestions.

I offer my special thanks to Dr. Paramananda Majumdar, Dr. Jogesh Chandra Deka, Atanu Kr Chowdhury, Pradip Chandra Kalita, Dr. Manjit Majumdar and Rina Barman Kalita colleague of mine for their encouragement and constant boosting.

I express my sincere thanks to Dr. M C Kalita, Professor and Former Head, Department of Biotechnology, GU, Prof. Soneswar Sarma, Dr. Rupjyoti Bharali, Prof. Manab Deka and other Faculty members of the Department for their valuable suggestions and cooperation during my research.

I am very much thankful to Mr. Pranjan Barman, SRF, Biotech Hub, Department of Biotechnology and Dr. Prabin Kumar Baruah, Scientific Officer, Department of Chemistry, Gauhati University, Mr. Soumen Das, Kolkata based electrician for their extraordinary help during my experiment.
I would like to take the opportunity to thank to Dr. Shally Sultana Choudhury, Dr. Deborja Sharma, Ankita Katoky, Mousmi Saikia, Rubani Shani and Rajiv Chandra Dev Goswami of my fellow Research Scholar of our Laboratory, Department of Biotechnology, Gauhati University, and other colleagues of mine, Dept of Botany, Pragjyotish College for their cooperation during my research work.

I am thankful to Munin Das a Laboratory Assistant of our laboratory and presently working at Chemical Science, Institute of Science and Technology, Gauhati University, for his help during the preparation of plant extract in both the laboratory. I also thank Bipul Das and Anjan Patowary and other Office Staff of Biotechnology Department without whose help I cannot take a step in the research laboratory for my experiment.

I am also thankful to Assam Science Technology and Environment Council (ASTEC) for their partial help during my research.

I express my heartfelt thanks to my mother, Sjta Sidheswari Das, wife Bharati, son Amar, daughter Pilu, brother Uttam, Gopal and other family members for their painstaking and constant support beyond the academic scene behind my all endeavors.

It needs special prayer to my Grandmother late Kateki Das and my father late Sarbeswar Das without whom inspiration and blessing from heaven it would not be fulfilled my dream into reality.

(RANJIT DAS)
Associate Professor
and
Teacher Fellow of UGC-NERO
Department of Biotechnology
