ACKNOWLEDGEMENT

It gives me immense pleasure to express my deep sense of gratitude to my guide Professor Anup Kumar Talukdar, Gauhati University for his invaluable guidance, supervision, encouragement and thoughtful suggestions in every step of my research work.

I like to express my gratitude to Gauhati University for the “Thaneswar Barooah Memorial Fellowship” for my research work. My gratitude is also for all the teachers of Department of Chemistry, Gauhati University for their help and suggestion during my research work. I want to take the opportunity to thank Karmakar Sir of Department of Instrumentation and USIC of Gauhati University, V. Mallick Sir of Indian Institute of Physics, Bhubaneswar, N. K. Rao of National Chemical Laboratory, Pune for their help in my research work.

My thanks are also due to thank Banani, Rupamda, Kishorda, Jituda, Durlov, Naba, Subrata, Asha, Debjani, Mithun, Sukanya, Pankaj, Arun and all other research scholars and co-workers of Chemistry Department, Gauhati University for their various help and encouragement. The services rendered by the Centre for Nanotechnology and CIF of IIT, Guwahati and NEHU for characterizations of my samples are also highly acknowledged.

I express my love and respect to my husband Dipen Deka and my brother Pijush for their encouragement and help during the research work. Above all, I offer my love and respect to my beloved parents and in laws for their blessing and encouragement.

Dhanju Mani Pathak
