ACKNOWLEDGEMENT

I express my deep sense of gratitude and regards to my esteemed teacher and supervisor Dr. A. K. Singh, Reader, Department of Zoology, Kamla Nehru Institute of Physical & Social Sciences, Sultanpur (Dr. RML Avadh University, Faizabad) for his keen interest, generous encouragement, immense co-operation, sympathetic behaviour, affectionate guidance and moral support to complete the present research work.

In fact, words fail to express my deep sense of indebtedness, profound gratitude, regards and thanks to Dr. V. C. Srivastava, M.Sc., D. Phil., F.A.Z., F.H.S., F.Z.S.I., FISURYA, Reader and Head (Retd.) C.M.P. Degree College, University of Allahabad, who inspite of his busy schedule, not only inspired me but also took continuous efforts in the progress of this research work. He has been untiringly working on the Cestode morphology and taxonomy since 1964 uptill now. He had been kind enough to lend his personal library on Cestoda and some of his personal collections of Hymenolepid cestodes for my studies in relation to the present thesis.

I wish to express my sincere gratitude to my esteemed teacher Dr. V. K. Das, Reader and Head, Department of Zoology, Kamla Nehru Institute of Physical & Social Sciences, Sultanpur for his valuable suggestion and co-operation in writing this thesis.

I also wish to express my sincere thanks to Dr. Gunraj Prasad, Principal, Kamla Nehru Institute of Physical & Social Sciences, Sultanpur for his persistent encouragement and moral support during this research work.
It's my duty to express thanks to all staff members of Department of Zoology, Kamla Nehru Institute of Physical & Social Sciences, Sultanpur for their assistance.

I am highly grateful to Dr. Jagdamba Singh, Professor, Department of Chemistry and ex Dean Student Welfare, University of Allahabad for his continuous moral support and encouragement.

I extend my sincere thanks to my friends Er. M. K. Gupta, Dr. S. P. Singh, Dr. S. Prakash and youngesters Mahendra, Manoj, Rupendra, Anurag and Anupam, who helped me a lot in the completion of this research work.

I wish to extend my thanks and regards to Smt. Shashi Kala Srivastava, Smt. Rupam Singh and Smt. Sucheta Singh for their inspiration and affectionate attitude during my research work.

I feel extremely thankful to my respected father Mr. Ram Kumar Verma, Mausaji Er. S. R. Verma, Father-in-law Mr Rajendra Singh and Mr. Arun Kumar Singh (Faizabad) for their blessings and co-operation. I extend thanks to my loving son Kshitij and daughter Smriti.

Lastly but not least, I express my sincere thanks and deep appreciation to my wife Menka Verma for her patience and endurance during entire period of my research work. Besides, my special thanks to all visible and invisible powers of the nature that kept me motivated, when it was needed.
