

## ACKNOWLEDGEMENT

I wish to express my gratitude to my supervisor, Professor **Dr. V. Kamaraj**, for his guidance, support and the confidence he has in me. His constant encouragement during my course work has helped me to look forward to the future with enthusiasm and confidence in my abilities.

I would like to thank Professor **Dr. S. R. Paranjothi**, and Professor **Dr. M. Subbiah**, for their encouragements and suggestions that helped make my course work in a lucid manner.

I would like to thank the HOD of the Electrical and Electronics Engineering Department, the Principal and the Management of Rajalakshmi Engineering College, Chennai, for providing the necessary support for my project.

I would also like to acknowledge my sincere thanks to all teaching and non-teaching staff of the Electrical and Electronics Engineering Department, Rajalakshmi Engineering College, Chennai for the help that they rendered to me during various stages of my project work.

I would like to express my sincere gratitude to Professor **Lakshmi Narayanan** for providing clarity to my thesis work.

Finally, I would like to thank my parents, spouse, daughter, brothers, sister and in-laws for their constant support, in completing this endeavor without which I would not have been able to achieve my goals.
