ACKNOWLEDGEMENT

Many people have contributed to my research and were of importance for the completion of this dissertation. I reverence every one of their efforts to direct me in the course of this research work. I wish to thank them all.

I would like to express my sincere gratitude to my research guide Dr. R.R. Mudholkar for the innumerable guidance, patience, motivation and enthusiastic support throughout the research work. His immense knowledge and constructive suggestions helped me in all the time of research and writing of this thesis.

I am thankful to Department Research Committee members, Dr. R.K. Kamat, Dr. D. T. Shirke and Dr. K. S. Oza for the insightful comments and their suggestions during the research work.

I would like to thank Dr. R. A. Shinde, Secretary and Managing trustee, Chhatrapati Shahu Institute of Business Education and Research (CSIBER), Kolhapur for the constant encouragement and for giving the access to student data required to carry out the research experiments.

My Sincere thanks to Dr. M. M. Ali, Director, Dr. R. V. Kulkarni, Head, Department of Computer Studies and all my colleagues in Chhatrapati Shahu Institute of Business Education and Research, Kolhapur for their support and guidance during this research.

Heartfelt thanks to my family and friends. Words cannot express how grateful I am to my mother-in-law, father-in-law, my mother, and father for their moral support and inspiration throughout the course of this research.
Finally, I am very grateful to my beloved husband Swaroop A. Jamsandekar who has been by my side throughout this Ph.D. and my little loving sons Sparsh and Shourya for their co-operation during this period, making it possible for me to complete what I started.
