Acknowledgements

I would like to express my sincere gratitude to all those who have helped me complete this thesis. I especially would like to thank

My supervisor Dr. K. Laxminarayana Bairy, M.D., Ph.D., Professor & Head, Department of Pharmacology, Kasturba Medical College, Manipal University, Manipal, and doctoral committee members Dr. Padma GM Rao, M.Pharm., Ph.D., Professor, Department of Pharmacy Practice, Dr. N. Udupa, M.Pharm., Ph.D., Professor and Principal, Manipal College of Pharmaceutical Sciences, Manipal University, Manipal, who were always there to stretch their helping hands, valuable guidance and suggestions, meticulous care, moral support, scholastic advice, critical approach towards completion of this work and affection in taking me towards the goal. It is they who instilled in me the need to have an enquiring mind and it is for them that I could learn what this science of research means. I cannot forget their method of approaching a problem and this will help me throughout my life.

I express my deepest gratitude and appreciation to Dr. M. Surulivel Rajan for believing in me and for sharing his enthusiasm for science and exciting ideas for new projects. My hearty thanks to Dr.Asha Kamath, Dr.Vasudeva Guttaddu for introducing me to the science of epidemiology & Statistics and constant support that gave me the courage to manage difficult tasks in mathematical modeling in my work.

I take this opportunity to place on record my deep sense of gratitude to Dr.G.Parthasarathy, Professor and Head, Department of Pharmacy Practice, JSS College of Pharmacy, Mysore for providing me an opportunity to avail the privilege of fellowship in ICMR sponsored Multicenter Pharmacovigilance project.

I express my sincere thanks to the clinicians Dr. NR Rao, Dr.Sudha Vidyasagar, Dr.Muralidhar D Varma, Dr.KG.Prasad, Dr.Smitha Prabhu, Dr.R.Padmakumar, Dr.PVSN Sharma, Dr.Ananda Rao BH, Dr.Nalini Bhaskaranand, Dr.Balachanderan, Dr.S.N Rao, Dr.Ravindra Prabhu, Dr.Gabriel Rodrigues, Dr.Kavitha Saravu and Senior Residents, Dr.Ramanathan, Dr.Balakumar, Dr.Sudhir Nayak of Kasturba Medical College for their kind co-operation with patient enrolment in my study.

I take this opportunity to thank faculties Prof.M.K.Unnikrishnan, Mrs.Leelavathi D Acharya, Mr.Vijayanarayana K, Mr. Rajesh V, Mr.Venkatraghavan S, Mr.Rajesh R, Mr. Girish Thunga, Prof.Sureshwar Panday, Dr. Jimmy Jose and office staffs Mr.Manjunath Bhat, Mrs.Ashwini, Mrs.Yasodha, Mrs.Sridevi, Mrs.Kusuma, Ms.Asha, Department of Pharmacy Practice for their affectionate support and encouragement in carrying out this work.

I also express my sincere thanks to all staff members, Kasturba Hospital for help with retrieving data and all nursing Staff for their kind co-operation.
My heartfelt thanks to Prof.Anantha N Naik, Prof.Gopalan Kutty, Prof.M.Sreenivas Reddy for their encouragement and support. I feel indebted to Dr.G.Subramaniyan, Dr.A.Ranjith Kumar, Dr.Raghu Chandrasekar, Dr.Vasanth Raj, Dr.Sreedharan Nair, Mr.N.Sivagurunathan and Dr.Jagadesh PC for their valuable support.

I cherish with gratitude the affectionate encouragement of Dr.M.Murali, Department of Neurobiochemistry, Neurosciences Centre, All India Institute of Medical Sciences (AIIMS), New Delhi. My heartfelt thanks to all my fellow research scholars of MCOPS, especially Mr.Karthik, Mr.Gopal V Shavi for being a great roommates and friends.

I am thankful to all my friends especially, Mr. Abraham Jacob, Mr. Anoop Kishore, Mr.T.Rajesh for their lively company, help and continuous support and encouragement for good times on and off working hours. I also express my great appreciation to all post-graduate students, Pharm D (PB) students and those who helped me in one way or other for my research work. I acknowledge the valuable help of administrative staff, non-teaching staff of Manipal College of Pharmaceutical Sciences, Manipal University, for their kind help & cooperation.

It is my pleasure to thank my parents Mr. P.Rajakannan and Mrs. R. Malarkodi who always dreamt of my acquiring doctoral degree. I have pleasure in remembering the affection, support and encouragement of my sister Mrs. Vanitha Kamalakannan, my brother Mr.Raghu and all my family members throughout this work.

I wish to remember at this juncture all the patients who participated in my study, without whom this thesis would not have materialized. I assure that their support will not go waste. I express my heartfelt thanks to them.

Research grant from Indian Council of Medical Research (ICMR) India, travel grants from International Society of Pharmacoepidemiology (ISPE) USA, Department of Science and Technology (DST), India Council for Sceintific Industrial Research (CSIR) India, Malasian Society of Physiology and Pharmacology (MSPP), Malaysia is highly acknowledged.

My very special thanks are due to many others who provided their constant encouragement and support and helped me in one way or other during this work. Although their names do not figure in this acknowledgement, I cherish their input.

R.Thiyagu
