

ACKNOWLEDGEMENT

As an author I express my deep sense of indebtedness to my supervisor Dr. Kamlesh Sharma, for his sincere invaluable help and guidance to complete my research work. She has not also been my mentor but also a great source of encouragement whose untiring patience and supervision has made this thesis take its present shape. I express my deep sense of gratitude to her for his timely guidance, immediate feedbacks, and constant help and continuous encouragement from the beginning to end of this research. She has been always a driving force for scientific inquiry. I consider myself very fortunate for having her as my guide.

I express my humble gratitude to Dr. (Mrs.) Usha Krishnan, Principal of Government Maharani Jijabai Girls P.G. College, Indore; Dr.(Mrs.) Shail Bansal, Chairman of Home Science faculty DAVV Indore; Dr. Mrs. Kirti Tiwari, Head & other respected faculty members of department of Home Science. Indore for their co-operation and permission to execute the present study.

I am also thankful to all the Principals, teachers of various private and public schools of Indore, for kind their supports in data collections.

I am very much obliged and grateful to all the students of the said schools for sparing their invaluable time and willingness to take the test and help me to collect the required data. Without their generous co-operation and readiness to help and respond,

this work could not have been completed.

I am deeply grateful to all my family members who encouraged me in undertaking this research work and helped me till the completion of my thesis. I express my warmest sense of gratitude to my dear mother Mrs. Maya Shukla for helping me all through my research work.

I am extremely thankful to my father-in-law Dr. Arvind Prasad Mishra and mother-in-law Mrs. Prem Sheela Mishra for their guidance and kind support for my research work.

I am sincerely grateful to my loving brothers Satyam, Praveen, my loving sister Sneha, my husband's elder brothers Mr. Prem Pankaj Mishra, Mr. Prem Ambuj and their families as their sincere motivation, inspiration and suggestions have boosted me to achieve the desired goal.

I am extremely thankful to my beloved husband Mr. Prem Varij Mishra, without his support, motivation and guidance my research work would have never been completed. My son Hemang Mishra has been inspirational and pleasurable reinforcement for my doctoral research.

Once again my thanks go to everyone who have contributed one way or the other, and helped me in the completion of my work.
