LIST OF PUBLICATIONS

Publications in Journals/conferences

4. Pavithra, P., Prakash, P. and Ganesh Madhan, M. “Analysis on Dispersion compensation using delay line filter with 2 x 2 and Y coupler”, 5th National conference on Signal Processing, Communications and VLSI design, 10th and 11th May 2013, Anna University Regional Centre, Coimbatore, pp.1-5.

5. Kanagaraj, P. and Prakash, P. “Design of Lattice Form Optical Delay Line Filter” International Colloquium on Computing, Communication, Control and Management (CCCM 2010), August 20-22, 2010 Yangzhou University, China.(Accepted)

6. Vigneswaran, N. and Prakash, P, “Analysis of microwave photonic filters” International Colloquium on Computing, Communication, Control and Management (CCCM 2010), August 20-22, 2010 Yangzhou University, China. (Accepted)
