I declare that the thesis entitled “Wavelet Adaptive Observer Based Control for a Class of Uncertain Nonlinear Systems with Delayed States and Input Subject to Actuator Saturation” is my own work conducted under the supervision of Prof (Dr.) Ajay Verma at Institute of Engineering & Technology, Devi Ahilya Vishwavidyalaya, Indore approved by Research Degree Committee. I have put in more than 200 days of attendance with the supervisor and Co-Supervisor at the centre.

I further declare that to the best of my knowledge, the thesis does not contain any part of the work which has been submitted for the award of any degree either in this University or in any other University/Deemed University without proper citation.
