Progress and functioning of the centrally proposed, EPIP in Nagaland needs to be monitored. On the Nagaland side, an all-weather road constructed by India Border Roads Organisation under a project of the Northeast Council has linked Pokhungri. Apart from creating other infrastructure facilities at the proposed trade centers at Pokhungri, construction of link road is required to facilitate export of minerals and mineral based products from Nagaland.

Tripura:

Tripura has an international border of 839 km with Bangladesh. Its economy is agrarian, with paddy as main agricultural crop. Other agricultural crops are pulses, oilseeds and jute.
