ACKNOWLEDGEMENT

The words and phrases that I know are not enough to express my sense of gratitude to Prof. T.R. Sharma, Head, Department of English, Institute of Advanced Studies, Meerut University, Meerut, as without his inspiration I would never have ventured to undertake this research work. Not only this, I am further indebted to him for his proper and thorough guidance and regular supply of books and periodicals in this connection. Without the help of this kind I would not have been able to complete the research work. Besides, I must express my sense of gratitude to the other members of the Department of English, particularly the Incharge of the Seminar Library of the Department in the Institute of Advanced Studies, Meerut University, Meerut.

I shall be failing in my duty if I do not express my gratitude to Prof. Hari Har Prasad (Retired), who taught Fiction to M.A. Final (English) students, at S.V. College, Aligarh, for about 25 years, for he not only encouraged me for the research work but also provided valuable academic help from time to time.

My thanks are also due to the Librarians and the staffs of the Meerut University and Aligarh Muslim University libraries.
