LIST OF PUBLICATIONS

International Journal

5 Lilly Raamesh and Uma, G.V. “An Integrated Multi Objective Test Case Prioritization System”, (Accepted in Wulfenia Jounral, Austria).

International Conference

1 Lilly Raamesh and Uma, G.V. “UML Generated test case mining”, ICMLC, 2009.

3 Lilly Raamesh and Uma, G.V. “Method to Improve the Efficiency of the software by the effective Selection of the Test Cases from Test Suite Using Data Mining Techniques”, International Conference On Advances in Information Technology and Mobile Communication, LNCS-CCIS Springer-Verlag, pp. 327-331, 2011.

4 Lilly Raamesh and Uma, G.V. “Data Mining Based test case optimization of test cases to enhance the reliability of testing “, International conference on Advances in Computing Information Technology, LNCS-CCIS Springer-Verlag, 2011.
