ACKNOWLEDGEMENT

I would like to express my sincere heartfelt gratitude to my research supervisor Dr. N. Nagarajan, Principal, Coimbatore Institute of Engineering and Technology, Coimbatore for his guidance and support during the course. Without his motivation and encouragement this research would not have materialized.

I wish to thank Dr. K. A. Chinnaraju, Director and the management of Coimbatore Institute of Engineering and Technology for their support, encouragement and facilities provided to carry out my research in the esteemed institution.

I record my sincere gratitude to my Doctoral Committee members Dr. R. Nedunchezhiyan and Dr. R. Rajesh for their timely advice and constant support throughout this research work.

I express my sincere thanks to Mr. K. R. Jothi, Assistant Professor of Department of Computer Science and Engineering in Sri Ramakrishna Institute of Technology and Dr. S. Gunasekaran, Head of the Department of Computer Science and Engineering in Coimbatore Institute of Engineering and Technology for kind support and motivation throughout the research work.

I also convey my regards to the members of CIET who supported me in many aspects during the completion of the research work. Finally, I would like to extend my thanks to all my family members and dear friends who stood behind me as pillars of moral strength and support at different stages of this research work.

RAVIKUMAR G
