

ACKNOWLEDGEMENTS

This work would never have been accomplished without the encouragement and participation of many people. My personal and very deep appreciation goes to each one of them.

First and foremost I express my profound and deep sense of gratitude with due regards to my most revered, erudite, learned and esteemed supervisor **Dr. B. Ramesh**, Associate Professor, Department of Genetics and Plant Breeding, Ch. Charan Singh University, Meerut for his guidance and supervision.

I am grateful to **Prof. S.P. Singh**, Head, Department of Genetics and Plant Breeding, Ch. Charan Singh University, Meerut for providing the necessary facilities during the tenure of the present study. I am also thankful to **Prof. P.K. Gupta** (Emeritus Scientist), **Prof. H.S. Balyan** and **Dr. S.S. Gaurav**, Lecturer in the same department for their help in various ways during the course of this study.

With great reverence, I take this opportunity to express my deep gratitude to **Dr. G.C. Saini**, Chief Scientist and Head and **Dr. M. Dutta**, Senior Scientist, Department of Genetics and Plant Breeding, G.B. Pant University of Agriculture and Technology, Hill Campus, Rani Chauri, Uttarakhand, for their co-operation and benevolent help in this research work.

Words are too inadequate to express my deep sense of gratitude to my father **Shri Mangal Singh** and Chachaji **Shri Surender Singh** for their love and affection and they are always a source of inspiration for me. Their love and blessings have not only guided me in my present work but will remain with me to treasure for the rest of life. My mother **Smt. Ajodhya Devi** and Chachiji **Smt. Maharani Devi**, have always been a constant source of encouragement and moral booster throughout my life.

Especially I express my respectful regards to **Mrs. B. Padma** for her moral support with affection throughout my research work.

I express my deep sense of appreciation and thanks to my friends **Dr. Sandeep**

Raghuvanshi and Dr. Vandna Saini, who never denied helping me in the need of hour.

During the course of this study, many people have helped me in different ways, which I thankfully acknowledge. Especially my friends and colleagues, Dr. Bateshwar Kumar, Dr. Neeraj, Dr. Jitendra Kumar, Dr. Amita Mohan, Dr. Sandeep Kumar Sharma, Dr. Amit Kumar Sharma, Dr. Dinesh Kumar Sharma, Dr. Akash Goyal, Dr. Sachin Rustgi, Dr. Ravindra and my dear juniours Mr. Pradeep Arora, Mr. Vinod, Mr. Sarjeet, Mr. Arvind, Mr. Sukheshwar, Mr. Riaz, Mr. Ajay Gupta, Mr. Sachin, Mr. Vikas Tyagi, Ms. Kalpna Singh, Mr. Raman, Mr. Rahul Tyagi and Mr. Sanjeev Kumar Chauhan for their interest and help; their affection and constant co-operation made the arduous task of the preparation of this thesis, a stimulating and pleasant enterprise.

I am thankful to Mr. Prahlad Singh (field supervisor), Mr. R.K. Sharma, Mr. Mukesh (Lab Technician) and Mr. Anil Kumar (photographer) of the Dept. of Genetics and Plant Breeding, C.C.S. University, Meerut and Mr. Darshan Lal (field supervisor) of GBPUA&T, Rani Chauri for their co-operation in many ways.

I am also thankful to Mr. Pamesh Gupta, Ascent Computers, B-9A, Kanha Chambers, University Road, Meerut for his help in computer typing of this thesis.

Praveen Kumar
