ACKNOWLEDGEMENT

It gives me immense emotional gratification in expressing my deep sense of heart felt indebtedness and sincere thanks to my esteemed guide and my respected teacher Dr. R.P. Tripathi, M.S., Professor, Department of orthopaedics, M.L.B. Medical College, Jhansi. It is very kind of him to have suggested such an interesting topic for my thesis work. With his fatherly attitude, affectionate nature and unfathomed knowledge he always guided me unflinchingly throughout this venture. His experience and suggestions, constructive criticism and constant supervision went a long way towards the final shaping of this work.

The fatherly attitude, affectionate nature and always encouraging words of my respected teacher Dr. P.K. Dabral, M.S., Professor and Head, Department of Orthopaedics, M.L.B. Medical College, Jhansi, constantly provided me the confidence and enthusiasm so essentially vital to such a project.

I am no less indebted to my respected teacher, Dr. D.K. Gupta, M.S., Associate professor, Department of orthopaedics, M.L.B. Medical College, Jhansi, for expert supervision, invaluable advice and unstinting help at every juncture.

Though the words are not adequate, I take this opportunity to express my deep sense of gratitude tom my respected parents, father in law, mother in law and sister for their love and sacrifice, constant encouragement, moral support and guidance throughout my life to make me what I am today.
My beloved wife Dr. Juhi Singhal, deserve more than appreciation. She put-up all my idiosyncrasies and contributed an admirable courage to bring out the best of me.

It’s pleasure to acknowledge my sincere thanks to Dr. Namit Singhal, M.S., surgery for his invaluable support, guidance and special and keen interest in completing this work.

It is impossible for me to forget the co-operation, unaccountable help and encouragement given to me by my friends and colleagues Dr. Alok Johri, M.S., Dr. Vinod Agarwal, M.S., Dr. Utkal Gupta, M.S., Senior Resident, Dr. Anurag Purwar, Dr. Deepak Gupta, Dr. Abhishek Trivedi, Dr. Manav Luthra for their invaluable support, guidance in completion of this work.

I am thankful to Rafat Siddique for speedy and flawless computer typing of this work manuscript.

Last, but not the least, I wish to thank all the patients who formed the subject of my study and co-operated well.
