

# ACKNOWLEDGEMENT

---

*I can not express my sense of great fullness on the words, for my revered teacher, Prof. R.P. Tripathi MS (Ortho), MAGS, Department of Orthopaedics, who lit the lamp of knowledge in my mind and soul. Whose blessings masterly guidance, constant encouragement, fatherly love, and valuable criticism encourage me in completing this work. He made me understand what exactly a pupil can learn from passionate teacher.*

*I am deeply obliged to Prof. P.K. Dabral, MS (Ortho), Prof & Head, Department of Orthopaedics, who helped me to clear my confusions at several stages. I did derive benefit, pleasure and profit from their stimulating exchange of ideas, which I very humbly and deeply acknowledge.*

*I am also very grateful to Dr. D.K. Gupta MS (Ortho), Asso.Professor, Department of Orthopaedics, for his encouragement and valuable help.*

*I can not repay the debt to my parents for inculcating to proper habits and character. Whose blessing have always with me and been source of inspiration.*

*I am deeply indebted to the patients for their untiring cooperation, in spite of their sufferings and economical restrains.*

*The tiresome work of proofreading has been ably assisted by Dr. Piyushi Tripathi, Dr. Aashutosh and Dr. Dheeraj whose, help I can not forget.*

*I reserve my special thanks to my seniors, batch-mates and juniors for their unstinted support and cooperation.*

*Finally, I sincerely acknowledge the help of Mr. Vinod Raikwar (VK Graphics), who have taken unusual pains to get this work printed in its present form.*
