The present work is the outcome of the researches carried out by me in the field of "A Study of Generating Functions" at D.V. Postgraduate College, Orai, U.P., India, under the supervision of Dr. R.C. Singh Chandel.

The thesis consists nine chapters. Each chapter is divided into several sections (progressively numbered as 1.1, 1.2,....). The formulae are numbered progressively within each section, namely (5.7.2) refers to equation (2) of Section 7 of Chapter V. References are given in an alphabetical order at the end of every chapter.

ACKNOWLEDGEMENT

I wish to record my deepest and sincerest feelings of gratitude to Dr. R.C. Singh Chandel, Reader and Head Department of Mathematics, D.V. Postgraduate College, Orai-285001, U.P. for his able guidance and expert supervision during the present research work.

I am also thankful to Dr. N.D. Samadhiya, Principal, D.V. Postgraduate College, Orai for providing necessary facilities to me during my present research work.
