

LIST OF PUBLICATIONS

1. Rajimol, A, Raju, G.: "Web Access Pattern Mining – A Survey", In: 2nd International Conference on Data Engineering and Management (ICDEM2010), Trichy, Tamilnadu, India, LNCS 6144, 24-31, Springer, (2010).
2. Rajimol A, Raju G.: "FOL-Mine – A More Efficient Method for Mining Web Access Pattern", First International conference on Advances in Computing and Communication (ACC2011), Cochin, Kerala, India, Advances in Computing and Communications, Communications in Computer and Information Science, 191(5), 253-262, (2011).
3. Rajimol A, Raju G.: "MINING MAXIMAL WEB ACCESS PATTERNS- A NEW APPROACH", International Journal of Machine Intelligence, ISSN: 0975–2927 & E-ISSN: 0975–9166, 3(4), 346-348, 2011.
4. Raju G, Rajimol A.; "Novel Weighted Support Method for Access Pattern Mining". Communicated.
5. Rajimol A, Raju G.: "Web Access Pattern Mining- A New Method". Communicated.
