

ACKNOWLEDGEMENT

On reaching the final lap of my PhD work I would like to thank all those who helped me to make the process a very rewarding learning experience and a matter of contentment.

First of all, I would like to express my deepest sense of gratitude and profound feelings of admiration to my supervisor, Dr. G Raju, School of Information Science and Technology, Kannur University, who has supported me throughout my research work and thesis writing with his patience and knowledge whilst allowing me to work in my own way. This research is the fruit of his constant encouragement and direction: without whom this thesis would not have come through to this stage of completion and accomplishment.

I extend my sincere thanks to the faculty, students, and staff of the School of Computer Sciences, Mahatma Gandhi University, Kottayam, Kerala, who over the years have helped me in many ways. I am especially thankful for the organizational support and assistance from the staff members. Special mention of thanks goes to Ms. Anooj Mohammed and Prof. Dr. R Vijayakumar for their love, support and guidance during my fellowship period.

I express deep sense of gratitude to the Management and Principal, Marian College, Kuttikkanam for the encouragement and also for providing me the opportunity to avail Teacher fellowship and complete my PhD. Thanks are due to the University Grant Commission for sanctioning the teacher fellowship.

I express sincere gratitude to Mr. Viswam Vimbi and Mr. Shyamkumar for helping me to finalize my research topic and to Mr. Madhu S Nair for his patient, loving and timely interventions and for providing valuable suggestions during my thesis writing as well as during the preparation of journal papers. I also thank Mr. Joby Cyriac for the support extended.

I warmly thank my colleagues in my department for their love, understanding and support. "A friend is the one who believes in you when you have ceased to believe in yourself". There are many times during one's PhD when one wants to give up. My

gratitude goes to all my good friends (thankfully too many to be mentioned individually), especially my very dear friend, Ms. Jaicilee, for being there for me.

I am deeply indebted to Sri. K S Ganapathy and his team for the care, support and encouragement extended to me during the moments of desperations.

The last but not the least, I would like to express my gratitude to my husband Rajesh and my kids, Aravind and Anagha, my sisters and my cousin Adv. Vinodji for their love, encouragement, understanding and boundless patience.
